## OFFICE OF THE MAYOR.

*Philadelphia, June 1, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith for consideration by your Honorable Bodies a resolution accepting the provisions of an act entitled “An Act to provide for the planting and care of shade trees on highways of townships of the first class, boroughs and cities of the Commonwealth of Pennsylvania, and providing for the cost thereof,” approved May 31, 1907, for which I request your favorable action. The appointment of a Shade Tree Commission will mean much toward perfecting the plan for a better and a more beautiful Philadelphia, and will enable those in authority to develop and carry out properly this great work.

Some years ago an attempt was made to improve Broad street by the planting of many trees on both sides of that magnificent thoroughfare. No one paid any attention to the trees; no one made any effort to protect or safeguard them, and the final outcome was that a few trees succeeded by reason of their hardihood, in lasting a number of winters, while the others perished by the wayside. The proper development of shade trees along many of our residential thoroughfares will do much to remove the dull, sombre appearance of solid rows of houses, constructed, for two or three blocks, of the same material and of the same style and type, and would considerably improve the health and comfort of the City.

I believe that the Act of the Legislature and the resolution, if adopted by your Honorable Bodies, will place the matter in the hands of a careful, capable and intelligent Commission, who will see that the work is carried on wisely and well, and accordingly I urge your favorable consideration of it. I may add, for your in-

formation, that at this season of the year the necessity for immediate action is most apparent, and I urge that your action be speedy.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## RESOLUTION

Accepting the provisions of the act entitled "An Act to provide for the planting and care of shade trees on highways of townships of the first class, boroughs and cities of the Commonwealth of Pennsylvania, and providing for the cost thereof," approved May 31, A. D. 1907, and suspending Joint Rule No. 30 of the Select and Common Councils.

*Resolved, By the Select and Common Councils of the City of Philadelphia,* That the City of Philadelphia hereby accepts the provisions of the act entitled "An Act to provide for the planting and care of shade trees on highways of townships of the first class, boroughs and cities of the Commonwealth of Pennsylvania, and providing for the cost thereof," approved May 31, A. D. 1907, and that Joint Rule No. 30 of the Select and Common Councils is hereby suspended to enable the Clerks of Councils to present this resolution to the Mayor for his approval or disapproval.

## APPENDIX No. 3.

### OFFICE OF THE MAYOR.

*Philadelphia, May 26, 1911.*

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—I have been requested by the Philadelphia Association for the Protection of Colored Women

to address your Honorable Bodies and request an additional appropriation for them, which I do gladly, knowing the great work which they are doing and the particular and special character of the cases that they deal with in the course of their work.

There is no association which occupies a more unique or a more useful field in the City's charitable activities, and it has been the custom of your Honorable Bodies to allow them an appropriation which, although small, has meant much to them. During the year 1910 your appropriation to them was \$1,000; during the present year the appropriation, however, was only \$600. Accordingly, I address you at this time, on behalf of the Association, that an additional appropriation of \$400 be made, thus making the 1911 appropriation equal to that for 1910. As I have stated, this is only a small appropriation, but it will be a great help in the carrying on of a useful and commendable work.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

#### DEPARTMENT OF LAW.

462 to 488, Fourth Floor, City Hall.

*Philadelphia, May 27, 1911.*

JOS. R. C. McALLISTER, Esq.,

MY DEAR MR. McALLISTER:—You may remember that the other day I told you it would not be necessary, under

the law, for Councils to advertise the ordinance authorizing the issue of the \$11,500,000 loan, nor to wait four weeks, as they usually do, but that the law only required them to pass this ordinance in the same manner as all other ordinances are passed. My view of the matter is concurred in by Mr. Johnson, and I enclose you herewith his opinion.

It would be necessary, of course, for Councils to repeal Joint Rule No. 28, as under the law as now applicable to the borrowing power of the City of Philadelphia, there is no necessity for such a rule.

Very truly yours,

JAMES ALCORN,  
*City Solicitor.*

### OPINION.

The Constitution of Pennsylvania, Article IX, Section 8, thus provides:

“The debt of any county, city, borough, township, school district or other municipality or incorporated district, except as herein provided, shall never exceed seven per centum upon the assessed value of the taxable property therein, nor shall any such municipality or district incur any new debt or increase its indebtedness to an amount exceeding two per centum upon such assessed valuation of property without the assent of the electors thereof at a public election, in such manner as shall be provided by law; but any city, the debt of which now exceeds seven per centum of such assessed valuation, may be authorized by law to increase the same three per centum in the aggregate, at any one time, upon such valuation.”

By the Act of May 23, 1874 (P. L., 230), Section 11, as amended by the Act of May 11, 1893 (P. L. 42), it is thus provided:

“The councils of any city of the first class, the debt of which now exceeds seven per centum upon the assessed value of the taxable property therein, shall be and they are hereby authorized to increase the said debt one per centum upon such valuation; *Provided*, That no money shall hereafter be borrowed on the faith and credit of said city unless the ordinance or other authority authorizing the same shall have been introduced at one stated meeting of the common council and the draft thereof published in at least two of the newspapers of the city daily, four weeks before the final consideration and passage thereof by the said common council, and at any stated meetings of the select council held at least one week after the final consideration of any such ordinance by the common council, the select council may consider and act upon any such ordinance; but the select council shall not originate any ordinance or other authority for borrowing money, and no loan shall be authorized without a vote of two-thirds of the whole number of members elected to each council: *And Provided also*, That the specific purpose or purposes for which the said loan is authorized shall be directly set out in the said ordinance, and that the moneys received for such loan shall not be used for any purposes other than those stated: *And Provided further*, That the said city shall, at or before the time of authorizing the said loan, provide for the collection of an annual tax, sufficient to pay the interest and also the principal of said loan within thirty years, and said bonds, when so redeemed, shall be cancelled.”

It is provided generally, concerning the creation of a municipal indebtedness, by the Act of April 20, 1874 (P. L., 65), Section 2, as amended by the Act of April 13, 1897 (P. L., 17), and by other sections of said Act of 1874, that a vote authorizing the creation of municipal indebtedness may be taken in the way and manner therein provided, and after the loan has been authorized, the manner of creating the indebtedness is provided.

The provisions for increasing municipal indebtedness

generally, up to the limit of seven per centum, are different from those provided by the Act of 1874, as amended by the Act of 1893.

The City of Philadelphia, at the time of the enactment of the new Constitution, was indebted to an amount in excess of seven per centum upon the then assessed valuation. At the present time, owing to the increase in assessed valuations, its indebtedness is less than seven per centum of the last assessed valuation.

The general practice, in the case of the City of Philadelphia, in creation of a municipal indebtedness requiring the vote of the people, has been to pursue the provisions of the Act of 1874, as amended by the Act of 1893.

I am asked whether it is necessary to continue this practice, or whether an ordinance may be validly enacted, providing for the taking of a popular vote, to be followed, if the vote be in favor of the loan, by an ordinance pursuing the provisions of the Act of April 20, 1874, as amended by the Act of April 13, 1897.

I see no reason why the City of Philadelphia may not obtain the popular vote through ordinance, and, the vote having been given, may not increase the indebtedness by following the forms pointed out in the Act of April 20, 1874, as amended by the Act of April 13, 1897.

The Constitution, which limited the indebtedness of municipalities to seven per centum, made the single exception in favor of those whose indebtedness, at the time of its passage, was in excess of seven per centum of the assessed valuation of property. As to this single excepted class, it was provided, as we have seen, that the members thereof might be authorized by law "to increase the same three per centum in the aggregate, at any one time, upon such valuation."

The Act of 1874, as amended by the Act of 1893, was intended to authorize cities of the first class, whose debt then exceeded seven per centum, to increase said debt one per centum.

Concerning these excepted classes, or I should say, this excepted class, it was provided that no money should be

borrowed unless the ordinance was introduced and passed in a certain form, and provided the things enumerated in said act.

The proviso was a limitation upon a remedial clause, which clause authorized the increase of one per centum upon a valuation in excess of the then existing indebtedness of seven per centum upon such valuation.

It was concerning this authorization only that the proviso applied or was meant to apply. The authority to increase to the extent of one per centum was qualified by the restriction as to the manner of publication, etc., etc., of the ordinance authorizing the increase.

If the city of the first class be not obliged to look to the Act of 1874, as amended by that of 1893, for its authority to borrow, it need not concern itself with the proviso limiting such authority.

The City of Philadelphia can now proceed under the Act of 1874, as amended by the Act of 1897, because there is no constitutional or statutory limitation upon its increase of indebtedness up to seven per centum.

In the proviso, where it says "that no money shall hereafter be borrowed on the faith and credit of said cities," the Legislature is dealing with money to be borrowed, part of the one per centum.

Read literally, and not as a proviso reads, it might be said that we have a positive direction concerning cities of the first class, whose debt, in 1874, exceeded seven per centum, "that no money shall hereafter be borrowed on the faith and credit of said cities," unless the ordinance shall provide in the manner set forth.

We are not dealing, however, with any substantive enactment when we are construing the proviso. We are dealing with an authority, which authority is clogged with the proviso, but which is not required to enable the City of Philadelphia, at the present time, to borrow.

(*Pepper vs. Phila.*, 181 Pa., 572).

JOHN G. JOHNSON.

## AN ORDINANCE

To authorize the creation of a loan or loans by the City of Philadelphia of the sum of nine million seven hundred and fifty thousand (9,750,000) dollars for the erection of a Convention Hall, the payment of mandamus, acquiring property along the Parkway and improving same, improvements to the Delaware and Schuylkill river fronts, repaving streets, completion of the high pressure fire main system in the mill district; continuing the work of improving League Island Park and the Boulevard, the construction of main and branch sewers, the reconstruction of Cohocksink sewer, the erection of new bridges, grading streets, surfacing and resurfacing country roads, the payment of damages for taking property for Cobb's Creek Park, for acquiring property and erection and improvement of buildings for police and fire purposes, the purchase of police and fire apparatus and equipment, the erection of buildings for the feeble-minded and treatment of contagious diseases, the improvement of South Broad Street Plaza, the erection of a Soldiers' and Sailors' Monument and the preparation of a history, the improvement and equipment of children's playgrounds, for replacing and reconstructing elevators in City Hall, and improvements in Fairmount Park, Hunting Park and Pennypack Creek Park, and for opening streets under the Richmond Branch of the Philadelphia and Reading Railway, between Richmond street and Kensington avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Mayor of the City be, and he is hereby authorized to borrow, at such

times and in such proportions as in his judgment the best interests of the City demand, from the highest bidder or bidders, either by popular subscription or by advertisement, at not less than par, on the faith and credit of the City of Philadelphia, a sum or sums which in the aggregate shall not exceed nine million seven hundred and fifty thousand (9,750,000) dollars, to be expended as provided for in the second section of this ordinance.

SECT. 2. The money raised by the loan or loans authorized by the first section of this ordinance, viz.: nine million seven hundred and fifty thousand (9,750,000) dollars, shall be expended as follows: for the erection of a Convention Hall, one million five hundred thousand (1,500,000) dollars; for the payment of mandamuses, one million (1,000,000) dollars; for acquiring property along the Parkway and improving same, one million (1,000,000) dollars; for improvements to the Delaware and Schuylkill river fronts, six hundred thousand (600,000) dollars; for repaving streets not occupied with railway tracks not now paved with improved pavement, five hundred thousand (500,000) dollars; for repaving streets with wood blocks, three hundred thousand (300,000) dollars; for the completion of the high pressure fire main system in the mill district, five hundred thousand (500,000) dollars; for continuing the work of improving League Island Park, five hundred thousand (500,000) dollars; for continuing the work of improving the Boulevard, from Second to Rhawn street, five hundred thousand (500,000) dollars; for the construction of main sewers, one hundred and sixty thousand (160,000) dollars; for the construction of branch sewers, one hundred thousand (100,000) dollars; for the reconstruction of Cohocksink sewer, fifty thousand (50,000) dollars; for the erection of new bridges, two hundred thousand (200,000) dollars; for grading streets, one hundred and fifty thousand (150,000) dollars; for surfacing and resurfacing country roads, one hundred thousand (100,000) dollars; for the payment of damages for taking property for Cobb's Creek Park, three hundred thousand (300,000) dollars; for acquir-

ing property and the erection and improvement of buildings for police and fire purposes, three hundred thousand (300,000) dollars; for the purchase of police and fire apparatus and equipment, including a new fire boat, one hundred and forty thousand (140,000) dollars; for the erection of buildings for the care of feeble-minded persons, two hundred and fifty thousand (250,000) dollars; for the erection of buildings for the treatment of contagious diseases, one hundred and fifty thousand (150,000) dollars; for the improvement of South Broad Street Plaza, one hundred and fifty thousand (150,000) dollars; for the erection of a Soldiers' and Sailors' Monument and the preparation of a history of Philadelphians engaged in war, one hundred thousand (100,000) dollars; for the improvement and equipment of children's playgrounds, one hundred thousand (100,000) dollars; for replacing and reconstructing elevators in City Hall, one hundred thousand (100,000) dollars; for permanent improvements in Fairmount Park, four hundred thousand (400,000) dollars; for permanent improvements to Hunting Park, fifty thousand (50,000) dollars; for improvements to Pennypack Creek Park, fifty thousand (50,000) dollars; and for opening streets under the Richmond Branch of the Philadelphia and Reading Railway, between Richmond street and Kensington avenue, five hundred thousand (500,000) dollars.

SECT. 3. Interest on said loan at a rate not exceeding four per centum per annum shall be paid by the City of Philadelphia, half yearly, on the first days of the months of January and July, at the office of the fiscal agency of the City of Philadelphia. Certificates of the said loan shall be in usual form, in such amounts as the lender may require, in the sums of one hundred (100) dollars and its multiples, in registered or coupon form, and it shall be expressed in the said certificates that the loan therein mentioned is payable in thirty years after date thereof, and that the principal and interest on said loan are payable in lawful money of the United States free from all taxes.

SECT. 4. Whenever any loan shall be created by virtue of this ordinance, there is, by force of this ordinance, an

annual tax levied of six and one-quarter ( $6\frac{1}{4}$ ) per centum on the par value of such certificates so issued to pay the interest, also the principal, of such loan within thirty years, and there is hereby annually appropriated to the Commissioners of the Sinking Fund, out of the tax so collected, a sum sufficient to pay the interest on said loan, also the principal thereof, within thirty years and as the same become payable. The appropriation for interest to be paid semi-annually, and for the Sinking Fund quarterly to the said Commissioners.

## AN ORDINANCE

To repeal the ordinance entitled "An Ordinance to accept the bequests to the City of Philadelphia, contained in the last will and testament of Meta Josephine Conor-Wood," approved the 29th day of March, 1909, and to decline to accept the said bequests.

WHEREAS, By the last will and testament of Meta Josephine Conor-Wood, who died in Philadelphia on October 13, 1908, certain paintings, bronzes, statuary and other articles of similar character were bequeathed to the City of Philadelphia, to be kept together either in Memorial Hall or the Art Gallery, to be known as "The George and Meta Conor-Wood Collection," and the principal sum of \$20,000 for the purchase of paintings and statuary;

AND WHEREAS, Competent authority has declared that the collection of paintings, as a whole, is of inferior merit;

AND WHEREAS, The City may have to pay a large sum for collateral inheritance taxes, and for attorney's fees, according to an order of Court;

AND WHEREAS, It is doubtful if the City will receive the benefit of any part of the bequest of money in trust for the purchase of paintings, as the estate is of less value than supposed by the testatrix;

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinance entitled "An Ordinance to accept the bequests to the City of Philadelphia contained in the last will and testament of Meta Josephine Conor-Wood," approved the 29th day of March, 1909, be and it is hereby repealed, and all other ordinances or parts of ordinances inconsistent herewith be, and they are hereby repealed.

SECT. 2. That the City of Philadelphia declines the bequests of personal property under the last will and testament of Meta Josephine Conor-Wood, deceased.

## APPENDIX No. 17.

## OFFICE OF THE MAYOR.

*Philadelphia, June 8, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—It gives me pleasure to transmit herewith, for consideration by your Honorable Bodies, a letter addressed to me by the President of the Philadelphia Operatic Society, in which the Society makes the generous offer to place at the disposal of the City of Philadelphia sixty (60) scholarships, to be distributed among the pupils of the high schools, colleges, universities, denominational and private academies within the City limits, fifty scholarships for singing and ten for dancing—for a period of one year; the scholarship to include a course of practical instruction in the art of singing and acting grand opera, with appearances three times in as many operas upon the public stage, lectures to be given on opera at least once a week, and scores of operas to be loaned to all holding scholarships, and other matters set forth in the communication hereto attached.

The Philadelphia Operatic Society has won a high place among institutions devoted to the culture and teaching of music, singing and dancing, and its achievements have brought glory not only to itself but to the City as well. The unique position which it has made for itself among musicians and music lovers has attracted widespread attention and universal praise, and the offer which it makes to the City of affording an opportunity to the students of all schools of receiving instruction in the highest form of musical expression is one which cannot but do great good. The course of instruction which is given at present in the public school can very well be supplemented and carried on to a further stage through the work of the Society, and in no other manner can music students obtain the instruction that will be thus afforded. In other countries it has been the custom for municipalities

to offer similar opportunities to the students of music, and I feel sure that the City of Philadelphia will recognize the work that has been done and which is being done by a society that is dependent entirely upon the support of the people, and will encourage and aid the students of music of this City in like manner. As the completion of a liberal education in music, it will be a fitting gift by the City to the students, and I accordingly urge that your Honorable Bodies make this appropriation to a deserving, patriotic and helpful institution that, in return for the appropriation, offers so much to the students of our City.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

PHILADELPHIA OPERATIC SOCIETY.

Suite D, Eighth Floor,

Parkway Building, Broad and Cherry Streets.

HON. JOHN E. REYBURN,

Mayor of the City of Philadelphia.

MY DEAR MR. MAYOR:—At a meeting of the Executive Board of the Philadelphia Operatic Society, held Monday evening, June 5, 1911, the following proposition was authorized, subject to amendment by you, and the President, Musical Director and Secretary of the Society were given full power to act in this matter on behalf of the Society.

In consideration of the appropriation of five thousand (5,000) dollars from the City to the Philadelphia Operatic Society, the said Philadelphia Operatic Society will place sixty scholarships at the disposal of the City of Philadelphia, to be distributed among the pupils of the high schools, colleges, universities, denominational and private academies within the City limits. Fifty of these

scholarships shall be singing, and ten dancing, and be for a period of one year.

All to whom these scholarships are awarded will be given all the benefits, privileges and perquisites enjoyed by active members of the Philadelphia Operatic Society, with the exception of a vote. They will be given a course of practical instruction in the art of singing and acting grand opera, with appearances three times in as many operas upon the public stage. At least once each week lectures on opera, or class instruction in the art of acting and stage deportment will be given in addition by the skilled instructors of the Society. Scores of the operas will be loaned to all holding scholarships, all costumes furnished, and no expense in connection with the work shall be incurred by those selected. They shall also enjoy all the social privileges of membership.

At the close of the scholarship year, all such as desire to become active members of the Society will be given the preference over other applicants.

Those holding such scholarships will be required to attend all rehearsals, which shall be held at such times as shall not interfere with their school duties: *Provided*, That if it is necessary to hold a dress rehearsal in the afternoon, they shall be excused, unless their attendance is approved by the principal of the school or by some one designated by him. Failure to attend two rehearsals of an opera shall work a forfeiture of the scholarship, unless such absence is due to sickness or other unavoidable causes, and said scholarship shall revert to the applicant standing highest upon the list of applicants.

All applicants for such scholarships shall fill out a form of application to be provided by the Philadelphia Operatic Society, which form shall be approved by the Mayor of the City of Philadelphia or some one designated by him. This form shall be signed by the principal of the school or other institution attended by the applicant, certifying as to regularity of attendance and general deportment; in the case of singers, by the musical director of such school or institution, as to voice, sight reading and general musical attainments, or in the

case of dancers by the director of physical culture of said school or institution. All such applications shall be submitted to a jury of awards, which shall consist of the Director of Music and the Director of Physical Culture of the public schools of Philadelphia, three others chosen by them, the President, Musical Director, and Director of Dancing of the Philadelphia Operatic Society: *Provided*, That any one members of this jury may designate some one else to act for him, and those standing highest upon the list, or in the opinion of the jury are best suited to a musical career, shall be awarded the scholarships. All applicants accepted must be satisfactory to the representatives of the Philadelphia Operatic Society as to personality.

Very truly yours,

JOHN CURTIS,

*President, Philadelphia Operatic Society.*

—

## AN ORDINANCE

To make an appropriation to the Mayor for the Philadelphia Operatic Society.

WHEREAS, The Philadelphia Operatic Society has demonstrated by a series of public performances their right and claim to a prominent place among the institutions of the City of Philadelphia engaged in the teaching of music and the arts, and has achieved meritorious distinction in the productions which it has given and in the work which it is daily performing;

AND WHEREAS, It is the opinion of many interested in music and the arts of singing and dancing that the course given by the Philadelphia Operatic Society is equivalent to that which can only be obtained through long, hard and continuous study with the foreign institutions engaged in this work;

AND WHEREAS, The Philadelphia Operatic Society has generously offered to place at the disposal of the City of Philadelphia sixty (60) scholarships, to be distributed among the pupils of the high schools, colleges, universities, denominational and private academics within the City limits, for the period of one year.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain.* That the sum of five thousand (5,000) dollars be, and the same is hereby appropriated to Item        in the annual appropriation to the Mayor, for the year 1911, for the Philadelphia Operatic Society.

## APPENDIX No. 18.

### OFFICE OF THE MAYOR.

*Philadelphia, June 8, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith, for consideration by your Honorable Bodies, a draft of an ordinance appropriating five hundred (500) dollars to the Department of the Mayor for the cost of conducting the examinations for the distribution of the free scholarships given to the students of the City of Philadelphia by the University of Pennsylvania.

Instead of conducting the examinations in the same manner as last year, the Scholarship Committee has made arrangements for the applicants to take the examination given by the College Entrance Examination Board, which Board charges a fee of five (5) dollars per applicant for the expense of conducting the examination. This method seems to be the best and most satisfactory solution of the problem, both to the City and the student, and I ask that the appropriation be made in order that

the applicants' fees may be paid by the City, so that in every sense the scholarships will be free.

Respectfully submitted,

JOHN E. REYBURN,

Mayor.

## AN ORDINANCE

To make an appropriation to the Department of the Mayor to pay the expenses of the Scholarship Committee.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of five hundred (500) dollars be, and the same is hereby appropriated to the Department of the Mayor, for the year 1911, to Item (new), to pay the expenses of the Scholarship Committee.

## APPENDIX No. 19.

*Philadelphia, June 8, 1911.*

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—I have the honor to transmit herewith an ordinance entitled "An Ordinance to set aside for the use of the American Philosophical Society, held at Philadelphia, for promoting useful knowledge, the plot of ground in the Tenth Ward, bounded by the Parkway, Sixteenth street and Cherry street; to authorize the Mayor, City Controller and City Solicitor to negotiate for the title of said property, and to authorize the condemnation thereof."

The American Philosophical Society, held at Philadelphia, for promoting useful knowledge, has expressed its willingness to negotiate with the City of Philadelphia

for the transfer to the City of the Society's real estate, on the west side of Fifth street, below Chestnut, in exchange for a plot of ground bounded by the Parkway, Sixteenth street and Cherry street, with a view to the erection by the Society, upon the new site, of a building for the Society's purposes, and as a memorial to Benjamin Franklin, its founder.

The proposed exchange commends itself highly to my judgment, because it would complete the title of the City of Philadelphia to Independence Square, the entire block between Chestnut and Walnut and Fifth and Sixth streets, and would provide a suitable site upon the Parkway for this old and venerable Society.

It is a significant fact that this Society, one of the oldest, if not the oldest, in Philadelphia, should be among the first to locate upon the Parkway, and I believe the Society should be encouraged and aided in its contemplated change of locality, and the City of Philadelphia should make the necessary street improvements on the Parkway and otherwise assist the Society in erecting a building upon the new site which would preserve its collections of books, manuscripts and pictures beyond the peradventure of fire, and make them accessible to the public for all time to come.

I respectfully suggest to you, therefore, the passage of the accompanying ordinance authorizing and directing the City Solicitor to enter into a proper contract or contracts with the American Philosophical Society, should the same be deemed necessary or advisable, whereby the site desired by the Society might be vested in it, and authorizing and directing the Mayor, the City Solicitor and the City Controller to enter into negotiations for the different properties necessary to complete the said plot on the Parkway, and, if possible, to obtain title to the same from the owners thereof, with a view to vesting the title of the said plot in the American Philosophical Society, and obtaining from the Society the title to its property on Fifth street.

The suggestion impresses me as being peculiarly advantageous at the present time, because the City is about

to restore old Congress Hall, erect new lamps in Independence Square, as memorials to the signers of the Declaration of Independence and the thirteen original States, and otherwise recognize the priceless heritage of the City in the possession and ownership of the historic State House.

Respectfully submitted,

JOHN E. REYBURN,  
*Mayor of Philadelphia.*

## AN ORDINANCE

To set aside for the use of the American Philosophical Society, held at Philadelphia, for promoting useful knowledge, the plot of ground in the Tenth Ward, bounded by the Parkway, Sixteenth street and Cherry street; to authorize the Mayor, City Controller and City Solicitor to negotiate for the title of said properties, and to authorize the condemnation thereof.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the plot of ground bounded by the Parkway, Sixteenth street and Cherry street, be set aside for the use of the American Philosophical Society, held at Philadelphia, for promoting useful knowledge, and that the Mayor, City Solicitor and City Controller are hereby authorized and directed to enter into negotiations with the owners of property within the lines of the Parkway, between Sixteenth and Seventeenth streets, or within 200 feet thereof, or within the boundaries of the Parkway, at Sixteenth street and Cherry street, with a view to obtaining title thereto. The purchase money, and any other expenses incurred in said negotiations or purchase, are hereby authorized to be taken from any sums now appropriated or hereafter to be appropriated to the Department of the City Treasurer, for Parkway purposes.

SECT. 2. Before proceeding hereunder the City Solicitor is hereby authorized and directed to enter into a contract or contracts with the American Philosophical Society, held at Philadelphia, for promoting useful knowledge, should such contract or contracts be in his opinion advisable or necessary, to provide for the securing to the City of Philadelphia of the real estate of the said Society, upon the west side of Fifth street, below Chestnut, and securing to the said Society the title to the plot of ground bounded by the Parkway, Sixteenth street and Cherry street: *Subject, however,* To such reasonable restrictions as may be agreed upon between the City Solicitor and the said Society, in order to protect the said Parkway, its environs, and the preservation of the view, appearance, light, air, and usefulness of the said Parkway.

SECT. 3. That having failed to agree with the owners of any property or properties within said boundaries, the City Solicitor be authorized to inform the owner or owners of such property or properties that such property or properties will be required for public use, in accordance with the Act of Assembly of June 8, 1907 (P. L., 466), and the Mayor is thereupon hereby authorized and directed to enter security, on behalf of the City of Philadelphia, for the payment of any damages which may be assessed by reason of the condemnation of the said property or properties, and thereupon possession of the same shall be taken for public use, and the City Solicitor shall begin and conduct the proper proceedings for the assessment of damages for such condemnation.

*Philadelphia, June 22, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred an ordinance entitled “An Ordinance to set aside, for the use of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge, the plot of ground in the Tenth Ward, bounded by the Parkway, Sixteenth street and Cherry street; to authorize the Mayor, City Controller and City Solicitor to negotiate for the title of said properties, and to authorize the condemnation thereof,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Walt. T. Sykes, Alfred Gratz, Jno. P. Connelly, John H. Hahn, C. E. Connell, E. B. Gleason, Thos. J. Morton, John F. Flaherty, H. J. Trainer, Wm. E. Finley, Louis Hutt, E. Buchholz, Edw. W. Patton, Harry C. Ransley.

## AN ORDINANCE

To set aside, for the use of the American Philosophical Society, Held at Philadelphia for Promoting Useful Knowledge, the plot of ground in the Tenth Ward, bounded by the Parkway, Sixteenth street and Cherry

streets: to authorize the Mayor, City Controller and City Solicitor to negotiate for the title of said properties, and to authorize the condemnation thereof.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the plot of ground bounded by the Parkway, Sixteenth street and Cherry street be set aside for the use of the American Philosophical Society, Held at Philadelphia for Promoting Useful Knowledge, and that the Mayor, City Solicitor and City Controller are hereby authorized and directed to enter into negotiations with the owners of property within the lines of the Parkway between Sixteenth and Seventeenth streets, or within two hundred feet thereof, or within the boundaries of the Parkway at Sixteenth street and Cherry street, described more fully as beginning at a point in the westwardly side of Sixteenth street and the southwardly side of Cherry street, thence extending westwardly along the said southwardly side of Cherry street two hundred and fifty-one feet six inches to a point in the eastwardly side of the Parkway, thence extending southwardly along the said eastwardly side of the Parkway thirty-two feet four and one quarter inches to the northeastwardly side of the Parkway, thence southeastwardly along the said northeastwardly side of the Parkway one hundred and sixty-eight feet two and seven-eighths inches to a point in the northwardly side of the Parkway, thence eastwardly along the said northwardly side of the Parkway, sixty-two feet six and one-half inches to a point in the eastwardly side of the Parkway, thence southwardly along the said eastwardly side of the Parkway forty-three feet and five-eighths of an inch to a point in the northeastwardly side of the Parkway, thence southeastwardly along the said northeastwardly side of the Parkway, twenty-four feet six and one-half inches to a point in the northwardly side of the Parkway, thence eastwardly along the said northwardly side of the Parkway twenty-nine feet eight and three-quarters inches to the westwardly side of Sixteenth street, thence northwardly along the said westwardly side of Sixteenth street one hundred and eighty-five feet to the first mentioned point and place of beginning, includ-

ing therein a portion of the bed of Appletree street, with a view to obtaining title thereto. The purchase money and any other expenses incurred in said negotiations or purchase are hereby authorized to be taken from any sums now appropriated or hereafter to be appropriated to the Department of the City Treasurer for Parkway purposes.

SECT. 2. Before proceeding hereunder the City Solicitor is hereby authorized and directed to enter into a contract or contracts with the American Philosophical Society, Held at Philadelphia for Promoting Useful Knowledge, should such contract or contracts be in his opinion advisable or necessary, to provide for the securing to the City of Philadelphia of the real estate of the said Society upon the west side of Fifth street below Chestnut, and securing to the said Society the title to the plot of ground bounded by the Parkway, Sixteenth street and Cherry street, subject, however, to such reasonable restrictions as may be agreed upon between the City Solicitor and the said Society, in order to protect the said Parkway, its environs, and the preservation of the view, appearance, light, air, and usefulness of the said Parkway.

SECT. 3. That having failed to agree with the owners of any property or properties within said boundaries, the City Solicitor be authorized to inform the owner or owners of such property or properties that such property or properties will be required for public use, in accordance with the Act of Assembly of June 8, 1907 (P. L. 466), and the Mayor is thereupon hereby authorized and directed to enter security, in behalf of the City of Philadelphia, for the payment of any damages which may be assessed by reason of the condemnation of the said property or properties, and thereupon possession of the same shall be taken for public use and the City Solicitor shall begin and conduct the proper proceedings for the assessment of damages for such condemnation.

## APPENDIX No. 69.

*Philadelphia, June 22, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Joint Special Committee on State Legislation affecting the City of Philadelphia, appointed under resolution approved by the Mayor, January 9, 1911, respectfully reports that during the entire session of the Legislature the Committee kept in close touch with all bills introduced, and their progress during passage, which in

any way affected the City. As nearly twenty-four hundred bills were introduced, involving the printing of over thirty thousand pages of matter, the work was greater and more complicated and required more constant watchfulness than at any session for many years past. The Committee as a whole, and through the secretary, appeared before the various committees of both the Senate and House and received the most courteous consideration. By reason of the adoption of the new amendments to the State Constitution and the change of time of the fiscal year and the organization of Councils a number of bills were necessary and received favorable consideration.

The Act known as the "Alter Bill" provides for a change of the City's fiscal year from the first Monday of December to the first Monday of January, but in 1911 it still commences on the first Monday of December. In 1913 Select Council will organize on the first Monday of December, while Common Council organizes on the first Monday of January, 1914, after which time both branches organize on the same day in January.

Considerable attention was given to the Act known as the "School Code." This bill covers about two hundred and fifty pages. Your Committee carefully considered the bill and recommended a number of changes which were deemed necessary to protect the City. This Act as approved will materially affect the finances of the City, as the State appropriation to the schools amounting in 1910 to nearly nine hundred thousand (900,000) dollars, must be paid direct to the Board of Public Education instead of to the City Treasury. As the new School Board is required to assume the outstanding school obligations the City Treasury will be relieved of this cost. Adjustments are necessary in the offices of the City Controller, City Treasurer, and Receiver of Taxes to meet the new conditions. To carry this Act into effect will require considerable legislation by Councils.

The bill known as the "Road Jury Act" entirely changes the system of assessing damages against the City. While the cost of maintaining the new organization will be somewhat increased, it is hoped the awards will be mate-

rially diminished, and claims more speedily adjusted. A bill carrying into effect the requirements of this Act will be necessary.

An Act for changing the time for opening the books of the Receiver of Taxes from February 1st to January 10th was prepared by the Committee, and the bill signed by the Governor on May 13, 1911. This bill will result in a saving to the City by the reduction of the premium necessary for the prompt payment of taxes.

An Act establishing a Board of Recreation for the care and management of playgrounds, recreation centers, municipal floating baths, recreation piers, etc., was introduced and after considerable trouble finally passed. The Board provided for in this Act replaces the Recreation Committee authorized by Councils. The appointment and organization of the new Board should be speedily followed by giving the children and young people of the City opportunity for properly directed out of door amusements and recreation and the development of both mind and body. An ordinance carrying the Act into effect will be required.

Senate Bill No. 137, being a codification of the laws relating to Free Libraries, occasioned considerable concern, as under the bill as introduced and passed by the Senate the Board of Trustees were given power to make requisition upon Councils for any sums for maintenance up to one mill of the taxable property of the City. The Committee succeeded in having the bill amended in the House making such requisition subject to the consent of the municipal authorities.

While provision was made for changing the day for the organization of Councils and the inauguration of the Mayor, the time of day for these events was not stated. The Committee had a bill introduced fixing this time and secured favorable consideration thereof.

A bill authorizing the appointment of Sealers of Weights and Measures was passed and signed by the Governor. As the provisions of the Act are optional, Councilmanic action will be required before any appointments can be made.

Three different bills were introduced giving Cemetery Companies the right of eminent domain without municipal consent, but all were defeated. The only bill passed relating to cemeteries gave existing companies the right to enlarge and acquire additional ground, subject to permission by the municipal authorities. This bill was vetoed by the Governor.

House Bill No. 605 empowers Meadow Companies to surrender their charters, and places the duty upon the respective cities and counties within which lands lie which had heretofore been under the control of the Meadow Companies of maintaining meadow banks and ditches. While the Committee attempted to have the bill defeated, it was nevertheless passed and signed by the Governor. Some provision must therefore be made to maintain the banks and ditches, as the City would be liable in case of floods.

A bill making an appropriation of five hundred thousand (\$500,000) dollars for the improvement of the harbor of Philadelphia was passed, but reduced by the Governor to four hundred and fifty thousand (\$450,000) dollars. Another bill making an appropriation of two hundred and fifty thousand (\$250,000) dollars toward the erection of buildings for the care of feeble minded was reduced by the Governor to two hundred thousand (\$200,000) dollars. Both of these appropriations are contingent upon the City providing like amounts. Items for these purposes are contained in the new loan bill, so work can be speedily started. Before the appropriation for the feeble minded is available, Councils must pass a bill accepting the conditions of the Act, requiring a repayment to the State should the property upon which the appropriation is spent cease to be used for the purposes specified.

A bill regulating the business of plumbing in cities of the first class and prescribing requirements for the construction of plumbing in houses, at the request of the Operative Builders' Association, was opposed by the Committee as seriously interfering with the erection of small houses. While the bill finally passed and was approved, the last section gives the Department of Health and Char-

ties and the Board of Health power to change the regulations from time to time, so no serious results will follow.

Increases of salary were authorized for the Coroner and Tipstaves of the Courts. The salary of the Coroner only applies to the successor to the office, while the increase for the Tipstaves requires action of the Board of Judges, when the additional money must be appropriated.

In view of the fact that Councilmanic action will be required to carry into effect the various Acts of Assembly, the Committee thinks it important that it should be continued during the present session of Councils, and therefore suggests the passage of the annexed "Resolution to continue the Joint Special Committee on State Legislation affecting the City of Philadelphia."

## APPENDIX No. 76.

*Philadelphia, June 29, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred an ordinance entitled “An Ordinance to establish a Bureau of Comprehensive Plans for the Future Development of the City of Philadelphia in connection with the Department of the Mayor,” respectfully report that they have carefully considered the same, and return the annexed ordinance with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Chm*), Chas. A. Gillingham, Alfred Gratz, John F. Flaherty, Louis Hunt, Walt. T. Sykes, E. B. Gleason, John H. Hahn, Thos. J. Morton, C. E. Connell, G. W. Kueker, E. Buchholz, Edw. W. Patton, Henry W. Lambirth, John P. Connelly, Peter E. Costello.

## AN ORDINANCE

To establish a Bureau of Comprehensive Plans for the Future Development of the City of Philadelphia in connection with the Department of the Mayor.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain.* That from and after the passage of this ordinance there shall be established a Bureau in connection with the Department of the Mayor, to be known as the Bureau of Comprehensive Plans for the Future Development of the City of Philadelphia.

SECT. 2. The Bureau shall consist of a Committee comprising the following: Mayor of the City of Philadelphia, *ex-officio*; City Controller, *ex-officio*; the Presidents of Select and Common Councils, *ex-officio*; Chairman of the Finance Committee of Councils, *ex-officio*; President of the Fairmount Park Commission, *ex-officio*; and in addition thereto ten citizens, who shall be appointed by

the Mayor, three of whom shall serve for a term of three years, three for a term of five years, and the remaining four for a term of seven years. All vacancies shall be filled, as they occur, by the Committee. The present Mayor shall be President of the said Committee until his successor be chosen by the Committee. The Committee shall organize immediately upon the appointment of its members, elect such officers as it may require, make such rules and regulations as may be necessary, and hold meetings as often as may be considered advisable.

SECT. 3. The said Bureau shall be empowered to study, amend and carry out, through the various Departments and Bureaus of the City already established, the Comprehensive Plans recommended by the various Committees as appointed by his Honor, the Mayor, and endorsed by the Citizens' Committee, in the Mayor's Office, February 24, 1911, as to improved railroad and transportation facilities, river and harbor improvements, municipal auditorium and assembly center, new parks, parkways, boulevards, radial avenues, location of new manufacturing sites, and the promotion of Latin-American trade. Said Bureau shall have power to make such changes, alterations and improvements in said plans as its studies and investigations may develop. For this purpose it may co-operate with and call into consultation transportation lines entering into and passing through and around the City, as well as the companies known as public utilities. It shall also have the right and power to employ, from time to time, such civil, mechanical, hydraulic, sanitary, landscape, architectural and consulting engineers as may be necessary for its information and the furtherance of the object for which it is created.

SECT. 4. The said Bureau shall make and award, through the Mayor, all contracts and agreements for work and improvements contemplated in the said general Comprehensive Plans, or changes which it shall make therein, and supervise and regulate all work connected therewith; approve, countersign and pay all vouchers for bills and contracts with moneys appropriated by Councils for such purpose, and generally to do all things necessary to ac-

comply, carry out and fulfill the object of the said Bureau.

SECT. 5. It shall be the duty of the Mayor to appoint the following officers and employees of the said Bureau: one chief, at a salary of ten thousand (10,000) dollars per annum; one chief clerk, at a salary of three thousand five hundred (3,500) dollars per annum; one stenographer, at a salary of one thousand two hundred (1,200) dollars per annum; one messenger, at a salary of six hundred (600) dollars per annum. The Chief of this Bureau shall be chosen from the membership of the Committee.

## OFFICE OF THE MAYOR.

*Philadelphia, July 6, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—It gives me pleasure to transmit herewith to your Honorable Bodies, for your consideration, a letter addressed to me by the Executive Committee of the Lemon Hill Association in reference to the necessity for a pavilion at Lemon Hill, which it is estimated will cost twenty-five thousand (25,000) dollars. The present pavilion at Lemon Hill is inadequate to meet the demands that are now made upon it, and I do not believe more enjoyment and pleasure could be afforded to the public by the expenditure of any like amount other than the one requested. The present pavilion, as you no doubt know, has no covering, with the exception of a canvas top, which does not cover the entire pavilion. Consequently, when thousands of people are assembled there, as they are frequently, and summer storms come upon them suddenly, consternation ensues and panic follows, subjecting the public to considerable risk of injury. The pavilion is used by the Lemon Hill Association, the Fairmount Park Band, the Philadelphia Band, and numerous other organizations which meet there throughout the summer months, and it is safe to say that from one hundred to one hundred and fifty thousand people visit it every week. Accordingly, it should be of the most up-to-date character, and a structure designed for the safety and convenience of the people as well as befitting the beauty and accessibility of its location. Any appropriation your Honorable Bodies may make towards this end will be a great step forward, not only in the development of that particular section, but in the carrying out of the general plan of bringing the City and the park into closer touch, and creating in that section of the park a civic center and playground of the people.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## APPENDIX No. 90.

*Philadelphia, July 13, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to carry into effect Act of Assembly approved June 8, 1911, creating a Department of Recreation and authorizing certain transfers in the annual appropriation to the De-

partment of the Mayor, for the year 1911, in connection therewith," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Charles Seger, Louis Hutt, Chas. A. Gillingham, John H. Hahn, E. Buchholz, Peter E. Costello, G. W. Kueker, Walt. T. Sykes, Jno. P. Connelly, C. E. Connell, Wm. E. Finley, Edw. W. Patton, John F. Flaherty, Thos. J. Morton, E. B. Gleason, H. J. Trainer, Alfred Gratz, Harry C. Ransley.

### AN ORDINANCE

To carry into effect Act of Assembly approved June 8, 1911, creating a Department of Recreation, and authorizing certain transfers in the annual appropriation to the Department of the Mayor, for the year 1911, in connection therewith.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That in accordance with the Act of Assembly approved June 8, 1911, that a Department of Recreation, under the charge of seven Directors, who shall be known as the Board of Recreation, is hereby established. The Board of Recreation shall consist of the Mayor, the Director of the Department of Public Health and Charities, and five resident citizens, who shall be appointed by the Mayor. Those first selected shall be appointed, two for the term of one year, two for the term of two years and one for the term of three years, as of the first Monday of June, 1911, and thereafter their successors shall be appointed for a term of three years from the date of expiration of their predecessors' terms or at the pleasure of the Mayor, except in the case of appointments to fill vacancies during the term, which shall be for the unexpired portion thereof. All such appointees may be removed by the Mayor at his pleasure.

SECT. 2. The members of the Board of Recreation shall serve without compensation and from their own

number shall elect a President, Secretary, and other necessary officers, to serve for one year or until their successors are elected. The Board of Recreation shall have the power to adopt rules of procedure and prescribe regulations for the conduct of all business within its jurisdiction. Four members of the Board shall constitute a quorum. The President shall have power to sign warrants and perform such other executive duties for the Board as it shall authorize him to perform.

SECT. 3. The Board of Recreation shall have the power to create, organize, manage and supervise the various playgrounds, recreation centers, municipal floating baths, bathing grounds and recreation piers which may be established at the present time or from time to time authorized by Councils or donated by private individuals or associations and accepted by the City, and to plan and recommend by regular reports to the City government, and after appropriate action by ordinance to create and develop an adequate and complete system of playgrounds and recreation centers and related activities. The Board of Recreation shall also care for, conduct, manage and supervise such public bath houses and related activities as may form constituent parts of or be used in connection with or be used as auxiliaries to a recreation center.

SECT. 4. The Board of Recreation may, in its own initiative, take charge of any grounds with buildings thereon erected, the use of which is offered to it temporarily by individuals or corporations for the purpose of using such grounds for public playgrounds and recreation activities.

SECT. 5. The Board of Recreation may assume the charge and care of school playgrounds during vacation periods if so requested by resolution of the Board of Education.

SECT. 6. The Board of Recreation shall, annually, three months before the end of the financial year, make a report of its proceedings during the preceding year to the Mayor, with such recommendations of the develop-

ment of playgrounds and recreation facilities, including additions thereto, as it may deem advisable.

SECT. 7. That the City Controller be, and he is hereby authorized to transfer all balances remaining to the credit of Items 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31 and 32 in the annual appropriation to the Mayor, for the year 1911, to the said Department of Recreation, said items being re-numbered from 1 in numerical order.

SECT. 8. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

## AN ORDINANCE

To make an appropriation for the purchase of a tract of ground bounded by Baltimore avenue, Fifty-seventh street and Washington avenue, as a park and open public place for the health and enjoyment of the people.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of forty-two thousand five hundred (42,500) dollars be, and the same is hereby appropriated to the Department of Public Safety (Bureau of City Property), for the purchase, for park purposes and for the health and enjoyment of the people forever, a certain tract of ground in the Forty-sixth Ward, bounded and described as follows: All that certain triangular lot or piece of ground, situate at the northeast corner of Fifty-seventh street and Baltimore avenue, beginning at the southeast corner of Washington avenue and Fifty-seventh street; thence extending eastwardly along the south side of Washington avenue four hundred and sixty-two feet one-eighth inch to a point in the north side of Baltimore avenue; thence southwestwardly along the north side of Baltimore avenue five hundred and fifty-two feet four and one-eighth inches to a point in the east line of Fifty-seventh street; thence northwardly along the east side of Fifty-seventh street two hundred and fifteen feet to the south side of Washington avenue and place of beginning.

## APPENDIX No. 92.

*Philadelphia, July 13, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred an ordinance entitled “An Ordinance to make an appropriation to pay damages for the vacation of Old

Tacony road, from Princeton street to Cottman street, and Vincent street, from old Tacony road to State road," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Charles Seger, Louis Hutt, Chas. A. Gillingham, John H. Hahn, E. Buchholz, Peter E. Costello, G. W. Kucker, Walt. T. Sykes, Jno. P. Connelly, C. E. Connell, Wm. E. Finley, Edw. W. Patton, John F. Flaherty, Thos. J. Morton, E. B. Gleason, H. J. Trainer, Alfred Gratz, Harry C. Ransley.

### AN ORDINANCE

To make an appropriation to pay damages for the vacation of Old Tacony road, from Princeton street to Cottman street, and Vincent street, from Old Tacony road to State road.

WHEREAS, Old Tacony road, prior to the passage of the ordinance approved March 29, 1887, entitled "An Ordinance to authorize the revision of the lines and grades of the City plans to avoid grade crossings on the line of the Philadelphia and Trenton Railroad, from Tacony street to Pemypack creek, Twenty-third Ward," had been for one hundred years a public highway, and was on the City plan;

AND WHEREAS, By a revision of the City plans made in pursuance of said ordinance, confirmed by the Board of Surveyors on April 28, 1890, Old Tacony road, from Princeton street to Cottman street, was struck from the City plan;

AND WHEREAS, By the decision in the case of *The vacation of Pulaski avenue*, 5 D. R. 1 (1895), it was held that the striking of a street from the City plan in pursuance of an ordinance of Councils did not of itself work a lawful vacation of the street, and that a decree of the court was necessary to complete the vacation;

AND WHEREAS, On March 15, 1895, the Court of Quarter Sessions of Philadelphia County, on the petition

of the Pennsylvania Railroad, opposed by the counter-petition of property owners whose properties would be damaged by the vacation of said street, entered a decree formally vacating said Old Tacony road, from Princeton street to Cottman street;

AND WHEREAS, By the decision in the case of *Pulaski avenue* aforesaid, it was held that the proper proceeding, and the only proceeding, for recovering damages arising from the vacation of a street in the City of Philadelphia was under the Act of April 21, 1858, P. L. 386; and in the case of *The vacation of Centre street*, 115 Pa., 247 (1886), it was held that the damages awarded under the said Act could not be collected from the City of Philadelphia, unless the City Councils by special ordinance provided for the payment of said damages in the manner prescribed by the sixth section of said Act of 1858;

AND WHEREAS, On May 21, 1895, certain property owners whose properties were damaged by the vacation of Old Tacony road, filed their petition in the Court of Quarter Sessions for the appointment of a jury of view under the Act of April 21, 1858, which provides:

“SECTION 6. It shall be the duty of juries selected to assess damages for the \* \* \* \* vacating of \* \* streets within the said city \* \* \* to assess and apportion the same among and against such owners of land as shall be benefited by such \* \* \* \* vacating of any such street: *Provided, however*, That it shall be lawful for Councils where in their judgment the public interest shall require it, to provide for the payment of such damages out of the City treasury; *And further provided*, That two-thirds of the members of each branch of Councils present at the passage of such ordinance consent thereto, and the yeas and nays on the passage thereof shall be entered on the journals;”

AND WHEREAS, On April 2, 1896, the jury of view appointed under said petition awarded to certain property owners damages in the sum of thirteen thousand and ten (13,010) dollars and twenty-five (25) cents, and assessed

said damages, as required by the sixth section of the Act of 1858, against certain owners of land benefited by said vacation, as by reference to the report of said jury, filed in the Court of Quarter Sessions, to May term, 1895, will more fully and at large appear;

AND WHEREAS, On December 23, 1897, the owners of land against whom said damages of thirteen thousand and ten (13,010) dollars and twenty-five (25) cents were assessed as benefits, filed exceptions to the action of the jury of view in assessing said damages against them, and the Court of Quarter Sessions sustained said exceptions, and set aside the report of the jury insofar as said damages had been assessed against said owners of land; whereby said property owners were without remedy for the collection of their said awards of damages;

AND WHEREAS, By the subsequent decision in the case of *The vacation of Williams street*, 7 D. R., 1 (1897), reversing the decision in the case of *The vacation of Pulaski avenue*, it was held that the striking of a street from the City plan, in pursuance of an ordinance of Councils, was a lawful vacation of the street, for which the City of Philadelphia was liable to pay the damages; and in the case of *The vacation of Penrose Ferry avenue*, 27 Super. Ct., 341 (1905), reversing the decision in the case of *The vacation of Centre street*, it was held that such damages might be assessed against the City of Philadelphia, even though, under the sixth section of the Act of 1858 no corresponding benefits were assessed by the jury against other owners of land;

AND WHEREAS, Said property owners to whom said damages of thirteen thousand and ten (13,010) dollars and twenty-five (25) cents had been awarded, upon the rendition of the decisions in *William street* and *Penrose Ferry avenue*, petitioned the court to refer the proceedings back to the jury of view, or to permit new proceedings to be begun, to the end that the said damages might be assessed against the City of Philadelphia; but said petitions were dismissed by the court, upon the ground that the statute of limitations, in such case made and provided,

barred said petitioners from any further action in the premises;

AND WHEREAS, Said awards of damages of thirteen thousand and ten (13,010) dollars and twenty-five (25) cents still remain unpaid, and the property owners thereto entitled are without remedy at law for the collection of the same; therefore,

SECTION 4. *The Select and Common Councils of the City of Philadelphia do ordain.* That the sum of thirteen thousand and ten (13,010) dollars and twenty-five (25) cents be, and the same is hereby apportioned to pay the aforesaid damages, according to the following schedule of awards, taken from the report of the jury of view aforesaid, filed as aforesaid; said moneys to be paid by the Treasurer of the City of Philadelphia out of the moneys in the said treasury reserved for the payment of writs of mandamus issued by the courts against the City of Philadelphia: John Leonard, Old Tacony road, one thousand and seventy-five (1,075) dollars; Jesse Williams, Old Tacony road, nine hundred and eighty-five (985) dollars; Elizabeth Harper, Old Tacony road, five hundred and fifteen (515) dollars; Catharine M. Ashton, Old Tacony road, three hundred (300) dollars; William J. Reed, Old Tacony road, four hundred and eighty (480) dollars; Mary Condon, Old Tacony road, forty-seven (47) dollars and fifty (50) cents; Richard J. Costigan, Old Tacony road, eighty-five (85) dollars; Margaret Mother, Old Tacony road, forty-five (45) dollars; Jacob E. Pruetzman, Old Tacony road, forty-six (46) dollars and twenty-five (25) cents; Elizabeth Garretson, Old Tacony road, forty-six (46) dollars and fifty (50) cents; Lynford Knowles, Old Tacony road, three hundred and twenty-five (325) dollars; Lynford Knowles, Old Tacony road, two thousand eight hundred (2,800) dollars; Ellen Delaney, Old Tacony road, three hundred and fifty (350) dollars; Patrick McCabe, Old Tacony road, two hundred (200) dollars; John Laffy, Old Tacony road, five hundred (500) dollars; Martha E. Cripps, Old Tacony road, two hundred and sixty (260) dollars; Ellen Carpenter, Old Tacony road, one thousand seven hundred and fifty (1,750) dol-

lars; Thomas Disston, Old Tacony road, seven hundred (700) dollars; Andrew Haldorffer, Vincent street, three hundred (300) dollars; Mary Clark, Vincent street, three hundred (300) dollars; Thomas Clark, Vincent street, fifty (50) dollars; Alois Eisele, Vincent street, (50) dollars; Anthony Dusch, Vincent street, one hundred (100) dollars; Jean J. Lange, Vincent street, one hundred (100) dollars; Stephen Ursprung, Vincent street, four hundred (400) dollars; Marcus Hund, Vincent street, two hundred and fifty (250) dollars; Lawrence Mahoney, Vincent street, one hundred and fifty (150) dollars.

## OFFICE OF THE MAYOR.

*Philadelphia, July 13, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith for consideration by your Honorable Bodies a proposition from Wendell & Wright, representing the Morris Estate, in which an offer is made to present to the City of Philadelphia a tract of about twenty acres of land in the Thirty-fourth Ward

and known as Morris Park, for park purposes, provided certain improvements are made through, and contiguous to, the said Morris Park. The owners value this land at \$200,000. They also propose to dedicate to the City, streets, the area of which is about 12 9-10 acres, and valued by them at \$129,000. They request the City to make improvements amounting to about \$88,000. A portion of this amount would eventually be paid by the City in grading, bridges, etc., whether this proposition is accepted or not. The net cost to the City for the improvements as per estimates attached would be about \$32,000. The benefit to the City, based upon the assessed value, will be \$132,306. I would strongly urge the prompt acceptance of the proposition, believing it to be of great advantage and value to the City.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

—

*Philadelphia, July 13, 1911.*

TO THE HON. JOHN E. REYBURN,

Mayor of the City of Philadelphia.

DEAR SIR:—The undersigned beg leave to submit to your consideration the following letter, written by them as agents for the Girard Trust Company et al., Trustees under a certain deed of trust, bearing date the seventh day of December, A. D. 1910, made, executed and delivered by Mary Morris et al., being the heirs of Wistar Morris, deceased, to the said trustees and recorded in the office for the recording of deeds in and for the County of Philadelphia in Deed Book W. S. V., No. 1420, page 170, etc.

The trustees under said deed of trust have under consideration certain improvements east and west of the proposed Morris Park, as the same is now laid down on the confirmed City plan. They have entered into a formal contract with us to carry out these contemplated improve-

ments. In order that our work may be done in the most advantageous way possible, not only to the Morris property, but also to the said Morris Park, we believe that changes should be made in the boundaries of the said Park, as the same now appear on the confirmed City plan.

The changes we suggest are as follows:

First: That the easterly boundary of the Park, between a point one hundred feet south of the southerly side of Overbrook avenue and the southern boundary of said Park, be changed so that the same will be situate two hundred feet west of Sixty-sixth street (see plan).

Second: That the small area at the northwest corner of Sixty-ninth street and Overbrook avenue, north of said Overbrook avenue and west of said Sixty-ninth street, be stricken off the plan of the said Park and accordingly revert to the said trust estate (see plan).

Third: That the western boundary south from the southerly side of Overbrook avenue be moved eastward seventy-five feet (see plan).

If these changes, as above indicated, are made by the City, we are authorized to say that the trustees under the said deed of trust are willing to dedicate to the City for park purposes the tract of land on the south side of City avenue between the boundary of Morris Park, as the same now appears on the confirmed City plan, and Sixty-ninth street, upon which said tract certain farm buildings are now erected; said buildings, except the dwelling house, to be torn down and removed at the expense of the trust estate, the right so to do to be expressly reserved.

We are also authorized to say that the said trustees, if and provided the City of Philadelphia will make certain improvements hereinafter mentioned, are willing to dedicate:

(1). To the said City for park purposes, the entire tract of land contained within the boundaries of Morris Park, as the same will appear upon the City plan, when the three changes first hereinabove mentioned are made. This tract comprises more than twenty acres and is, in our opinion, of more than usual value.

(2). To dedicate to the said City the south one-half of City avenue, as eighty feet wide, as shown on the confirmed City plan, from Lancaster avenue to the western limits of the land late of Wistar Morris, deceased, west of Seventy-third street.

(3). To dedicate to the said City, Overbrook avenue from Sixty-sixth street to Seventy-first street.

(4). To grade and improve, under City inspection, said Overbrook avenue, from a point situate at the intersection of the southerly side of said Overbrook avenue and the western boundary of the said Morris Park, as the same will appear upon the City plan when the three changes first hereinabove mentioned are made, to Seventy-first street.

(5). To dedicate to the said City, grade and improve, under City inspection, Sixty-fourth street from said City avenue southeastward to the southerly boundary of the land late of Wistar Morris, deceased, as the same is situate at said Sixty-fourth street.

(6). To dedicate to the said City, Sixty-ninth street, from Overbrook avenue to City avenue.

(7) To dedicate to the said City, grade and improve, under City inspection, two cross streets from Overbrook avenue to City avenue between Sixty-ninth street and Seventy-first street, said cross streets to be located by the said trustees.

(8). To dedicate to the said City, grade and improve, Seventy-first street, from Overbrook avenue to City avenue.

(9). To dedicate to the said City, grade and improve, Church road (see plan), from Lancaster avenue to City avenue; the trustees, however, expressly reserving the right to remove from said Church road, as the same is indicated on the plan annexed hereto, a certain dwelling house, situate about one hundred and fifty feet west of the westerly side of Lancaster avenue and known as the Wayside Cottage, said dwelling house to continue to be the property of the said trust estate, to be used and disposed of as to the said trustees may seem wise.

The improvements which the said trustees require the City of Philadelphia to make, in part consideration, etc., etc., as enumerated in the paragraphs last hereinbefore set forth, numbers one to nine inclusive, are as follows:

(1). To grade, macadamize and sewer the south half of City avenue, as eighty feet wide, as is shown on the City plan, from Lancaster avenue to Sixty-ninth street; it being our understanding that Lower Merion Township will co-operate with the City of Philadelphia and improve in the same manner the north half of City avenue, as eighty feet wide, from Lancaster avenue to Sixty-ninth street.

(2). To grade and macadamize the south half of City avenue, from Sixty-ninth street to the western limits of the land late of Wistar Morris, situate on the southerly side of said City avenue.

(3). To construct a new bridge on City avenue over Indian Run west of Sixty-sixth street and to provide in the construction of said bridge, suitable housing for the pumping plant belonging to the said trust estate and located at this point, it being our understanding that one-half of the cost of the erection of said bridge will be paid by Lower Merion Township.

(4). To grade, macadamize and sewer Overbrook avenue, from Sixty-sixth street to the point of intersection of the southerly side of said Overbrook avenue and the western boundary of the said Morris Park, as the same will appear on the City plan, when the three changes in the boundary thereof first hereinbefore mentioned have been made, and to construct a new bridge over said Indian Run on the line of said Overbrook avenue.

(5). To grade, macadamize and sewer Sixty-ninth street, from Overbrook avenue to City avenue.

(6). To sewer Sixty-fourth street, from Overbrook avenue north to the southerly boundary of the land late of Wistar Morris, deceased, as the same is situate at Sixty-fourth street.

In view of the fact that roads, which are to be graded and macadamized from gutter or curb to gutter or curb,

are to be finished with a patent surface by the trust estate, as hereinbefore provided, it is the opinion of the trustees that

(7). The roads to be graded and macadamized by the City, as hereinbefore provided, should be macadamized from gutter or curb to gutter or curb and finished with a patent surface, to make the same conform with the finish of the other roads to be graded and macadamized by the said trust estate.

The cost of the improvements to be made by the City of Philadelphia, as hereinbefore set forth in the immediately preceding paragraphs numbered one to seven inclusive, we estimate at \$. . . . .

The title to the land included in Morris Park, as the same will be when its boundaries have been changed, as hereinbefore mentioned, to pass to the City of Philadelphia, and proper conveyance to said City shall be made by said trustees, immediately upon the due acceptance by the said City of the terms and conditions set forth in this letter, subject, however, to the definite condition subsequent that unless all and every the improvements to be made by the said City as hereinbefore provided are substantially completed within three years from and after the date of the acceptance of the terms and conditions herein contained, by the Select and Common Councils of said City, said land shall revert to and become the property of the said trustees and said trust estate.

We would request that suitable ordinances be passed by the Select and Common Councils of the City of Philadelphia:

First: Accepting the general proposition outlined in this letter; and

Second: Authorizing the revision of the boundaries of Morris Park, as hereinbefore suggested; and

Third: Providing for the carrying out of the improvements to be made by the said City of Philadelphia as herein outlined, at the earliest possible date; and

Fourth: Authorizing the revision of the grade of City avenue, from Lancaster avenue to Haverford street and

of the streets adjacent thereto and placing of the new streets hereinbefore mentioned upon the said plan.

The trustees above mentioned authorize us to say that the proposition set forth in this letter will remain open for acceptance by the City for a reasonable time; it is, of course, understood that this proposition could not remain open indefinitely.

If this letter and the propositions it contains meet with your approval, will you kindly forward the same to Councils.

Yours very respectfully,

WENDELL & WRIGHT.

MESSRS. WENDELL & WRIGHT, MGRS.,  
Green Hill Farm, Overbrook, Penna.

DEAR SIRS:—Referring to our conversation of to-day, we are writing this note so that in any negotiations that you may have with the City Authorities you may be assured that if the City will make the improvements as outlined in our talk, we on our part will recommend to the makers of the Deed of Trust, under which we act, the dedication to the City for Park purposes of the tract of land that we have discussed, and we believe that any such recommendation made by us after such due consideration as we have given it will be approved by the parties in interest.

Yours very truly,

ROBERT D. DRIPPS,

GIRARD TRUST COMPANY, *Trustees.*

OFFICE OF THE MAYOR.

*Philadelphia, July 13, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—During the summer of 1910, the Catholic Total Abstinence Fountain in Fairmount Park was struck by lightning and damaged, necessitating repairs to the extent of one thousand (1,000) dollars. The repairs have been made under the direction of the Catholic Total Abstinence Society and the fountain is now in its original condition.

This fountain was erected during the Centennial year at the cost of fifty-six thousand (56,000) dollars and was presented to the City of Philadelphia by the Catholic Total Abstiners. Under the circumstances, I believe it should be the City's duty to keep and maintain it in a first-class condition, as it accepted it with that understanding.

Therefore, it seems to me only fitting and proper that the Catholic Total Abstinence Union of this City be reimbursed for the money expended by it protecting City property and repairing the damage caused it by the storm. I feel that your Honorable Bodies will concur in the reason and justice of such an appropriation, and that it will be made at an early date.

Respectfully submitted,

JOHN E. REYBURN,  
*Mayor.*

## RESOLUTION

Of request to the Director of the Department of Public Works to permit Harry Miller to lay a temporary terra cotta drain in Hunting Park avenue, from Seventh to Sixth street.

*Resolved. By the Select and Common Councils of the City of Philadelphia.* That the Director of the Department of Public Works be requested to permit Harry Miller to lay a temporary terra cotta drain in Hunting Park avenue, from Seventh to Sixth street, to connect with sewer in Sixth street. The said drain to be laid under the supervision and to the satisfaction of the Department of Public Works (Bureau of Surveys), without expense to the City of Philadelphia, and shall not release the owners of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

## APPENDIX No. 109

DEPARTMENT OF CITY CONTROLLER,  
CITY HALL.

*Philadelphia, September 7, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—Your attention is requested to the new form of statements contained in the accompanying August estimate, which shows the financial condition of the City. The several balance sheets show the condition of each account. The authorizations and limitations upon executive officers are shown in the fund balance sheet on pages 212-213.

I also invite your attention to Exhibit "F," pages 222 to 243, which presents a detailed classification by objects of expenditure of the estimated departmental needs for 1912, compared with the expenditures for 1911. This is for your assistance in preparing next year's budget. It shows in detail for what the City's money is to be expended, and how much is needed for permanent improvements aside from that which is needed for the current everyday expenses of government.

The sum total of our endeavors in revising the accounting system of the City, is to place the City's financial records upon a basis showing (1) assets and liabilities and (2) revenue and expense, without disturbing (3) the excellent receipt and expenditure system of accounting that the City has been using for years. The balance sheets and operation accounts present only the totals of each class of accounts and afford the basis for intelligent comparisons from year to year, by providing those in charge of the City's affairs, as well as the public, with condensed statements showing in perspective the City's financial condition. Detailed accounts will be available, however, to show the make-up of any account of these summary statements.

To summarize, the asset and liability, revenue and expense system of accounting provides for complete accounting

control over City property (land, structures, non-structural improvements, and equipment), materials and supplies in stores, work in progress, and current liabilities, from the issuance of an order for services or supplies to the drawing of the voucher and warrant in payment for the same. The receipt and expenditure accounting system only provides a control over the City's cash. The asset and liability, revenue and expense system of accounting unifies the accounting system of all the departments of the City and County government, and through a system of current reporting it centers accounting control for property, materials, supplies, and current liabilities, as well as cash, appropriations and contracts in the City Controller's office.

Very respectfully,

JOHN M. WALTON,

*City Controller.*

## STATEMENT.

*Philadelphia, August 1, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—In compliance with the provisions of the Act of Assembly approved June 11, 1879, I have the honor to submit herewith the Annual Statement, in detail, of the estimated receipts, expenditures and liabilities of the City for the current year to August 1st, and from August 1st to December 31st, inclusive and also, for the fiscal year commencing January 1, 1912; together with a set of balance sheets and supporting schedules showing the financial condition of the City.

With these I have included the calculations upon four tax rates, in conformity with the first section of said Act, showing the amount yielded upon the estimated assessed valuation of property received from the Board of Revision of Taxes for taxation in 1912, at the rate of \$1.00 per \$100, at \$1.20, at \$1.35 and \$1.50.

The fifth calculation, at the rate of \$2.30, will produce an amount sufficient to meet the demands of the estimated expenditures of all the Departments, including permanent improvements, serial loans, Sinking Funds, payments of writs of mandamus, the total of all demands being \$47,851,551.33.

The above rate, sufficient to meet the demands of the estimated expenditures of all the Departments, is made in compliance with the law, but cannot be entertained, as embraced in the estimates are included several millions for permanent improvements and extensions that can only be appropriated out of capital account.

The gross amount reported for appropriation for the year 1912, based on the present rate of taxation of \$1.50 per \$100, as fixed by the ordinance of Councils of September 30, 1909, and which remains in force under the Act of June 11, 1879, unless changed on or before the first day of October in each and every year for the year next ensuing, is \$36,150,720.96. Deducting the lawful obligations, which amount to \$10,112,287.50, leaves a net balance to appropriate of \$26,038,433.46, or an excess over the present year of 1911 of \$7,896,346.71. The lawful obligations, less the annual allotment heretofore made, as required by law, to the Board of Public Education, show an increase of \$880,005.57 over the year 1911, principally due to the increased interest and sinking fund required for new loans issued.

The calculation of a tax rate of \$1 per \$100 leaves a net excess over 1911 for appropriation to the different Departments, after deducting all lawful obligations, of \$598,431.75, and a tax rate of \$1.20 on the \$100 leaves a net excess under similar conditions of \$3,517,597.55, and a tax rate of \$1.35 on the \$100 leaves a net excess under like conditions of \$5,706,972.16.

These calculations of different rates of taxation have been carefully compiled, particularly in view of the Act of Assembly of May 18, 1911, eliminating from this statement the average annual receipt of school appropriation from the State of \$878,870, and the deduction of appropriations required by the allotment made to the Board of Public Education of five mills on the total assessment of real property under the Act of April 22, 1905, amounting, for the year 1911, to \$7,285,542.67, and better to enable your honorable bodies to establish a tax rate that will more strictly comply with the Act of 1879 by making adequate appropriations to the different Departments for the whole year for operation and maintenance, and abolishing the system of making additional appropriations and innumerable transfers that has grown up and increased from year to year. I would also suggest that, in addition to the tax rate necessary for operation and maintenance, that any legislation for financing permanent improvements be sepa-

rately considered and clearly stated, and the percentage apportioned in fixing the tax rate.

In 1904 the tax rate was reduced from \$1.85 to \$1.50, which was followed the succeeding year by the Act of Assembly allotting to the Board of Public Education five mills on the total assessment of real property subject to taxation; since that time the amount remaining, after deducting the lawful obligations, has been inadequate to meet the current expenses of the City government.

However much this condition is to be regretted, sound reasoning upon the finances of the City requires that in considering whether one rate or another is adequate, the character of the expenditures as well as the method of raising money be considered. It has been assumed that the current deficit has been due to inadequate revenues. This assumption leaves out of account the fact that during the period under review large expenditures of current revenues have been made for permanent improvements.

It is, therefore, important at this time, and while considering the subject of the City's prospective revenue and the fixing of the tax rate for the year 1912, to call your attention to certain features in the conduct of the municipality which have led to a serious misconception regarding the financial condition of the City. This misconception grows out of a habit long practiced by Councils of taking large sums of money from the current revenue to invest in permanent improvements. Speaking broadly, this use of money derived from current taxation is always along the line of the public good, because utilized to call into existence that which makes for the general prosperity of the City and the better conduct of municipal affairs. Through an improved system of municipal accounting and the issuing of annual reports of the same, the public has been educated to measure the results of municipal activity and progress by the standards used to judge the work of large corporations, which have been able to reach their present degree of efficiency through the sale of large amounts of long-time securities.

But at the same time this growing custom of taking from current revenue large amounts to invest in real estate and

permanent improvements has unduly limited the amount of moneys available for appropriations for the current expenses of the City government, and has tended to cripple the various Departments in their endeavors to develop the highest degree of efficiency.

The extent and importance of this diversion of money collected for current expenses is illustrated in the aggregate by the fact that during the six years ending December 31, 1910, the real estate owned by the City, as returned by the Board of Revision of Taxes, shows an increase in value of \$26,355,725, although this increase consists only of the actual prices paid originally for the new properties listed, their present market value being much greater.

On the other hand, during the same period of six years ending December 31, 1910, the net funded debt of the City increased by only \$20,773,980; this comparison of the increase in valuation of City-owned property and amount of net debt clearly showing that the City's real estate investment has increased during the period in question \$5,581,745 more than the increase in the net funded debt. This large sum of money, representing the excess value of assessable property acquired over the increase in net funded debt during the six-year period under review, does not, however, fully or truly represent the whole situation, because when the expenditures of the City during the six-year period—1905-1910—are carefully analyzed they show that the sum of \$5,278,155.10 was also taken from current revenue and invested in permanent improvements, other than the assessable property referred to above and which was properly chargeable to loan account, because expended for purposes which would, in similar circumstances, have been charged against capital account by large corporations. Adding this \$5,278,155.10 taken from current revenue for permanent improvements to the net increase in value of real estate owned by the City over increase in net debt, we have a total of \$10,859,900.10 as representing this net amount taken from current revenue for investment in land, structures, other permanent improvements and equipment during the six years between January 1, 1905, and December 31, 1910.

To prove that the conditions here described are not exceptional, but, on the other hand, are continuing down to the present day, a careful analysis of all expenditures of the City—whether made in the usual way by means of warrant on the City Treasurer or by peremptory writ of mandamus—from January 1, 1911, to July 31, 1911, shows that during this period of seven months \$1,887,649.21 was taken from the current fund moneys, or money produced by taxation, and used for permanent improvements and equipment; whereas only \$411,588.98 was spent from loan moneys, derived from sale of City loans, for what may properly be classed as current expenses; the net result showing, during the seven months in question, that the City actually invested in permanent improvements and equipment \$1,476,060.23 from current revenue in excess of the sum expended for current expenses out of loan money. This investment from current revenue for seven months is at the rate of more than \$2,500,000 a year, or nearly double the average sum so taken during the six years between 1905 and 1911, indicating clearly that this habit of taking funds from current revenue for permanent improvements is increasing in volume annually.

#### *New General Ledger and Analysis of Expenditures.*

Commencing January 1, 1911, this Department installed as a part of its asset and liability, revenue, expense and fund accounting system, a new general ledger that will make possible the preparation of balance sheets or summary financial statements for the City similar to those presented herewith, together with the operation and fund accounts. This general ledger contains controlling accounts for every group or class of transactions. Supporting each of the general classes of accounts in this ledger are subsidiary ledgers and records. That is to say, the details supporting the property accounts are to be found in the property ledgers, the details supporting appropriation accounts in appropriation ledgers, and so on.

The significance of the new general ledger is that it provides for giving at all times, in summary form, exact

information relating to the finances and operations of the City in terms of asset and liability, revenue and expense, funds and appropriations, including special and trust funds and sinking funds. It further enables the City Controller to exercise control over the detail accounts kept by the City, and provides an exact basis for the audit of detail reports.

There was also installed in this Department at January 1, 1911, a complete analysis of expenditures, which is made currently from the bills and payrolls as they are audited and settled. This analysis divides expenditures monthly into five main headings of administration, operation, maintenance, debt service and other expense. It also shows the expenditures for capital outlays, which are divided into three main headings, *i. e.*, (1) land, (2) buildings, structures and non-structural improvements, and (3) equipment. Expenditures from general account—that is, moneys received from taxation and other current receipts—are kept separate from expenditures from capital account—namely, moneys received from sale of loans. In this way the use of general account moneys for capital outlays and capital account moneys for expenses is brought under the control of the general ledger (see Schedule No. 1 of Exhibit “B,” page 214). Payments of the Treasurer on peremptory writ of mandamus are similarly analyzed.

The purpose of the above mentioned classification of expenditures is to show cost in terms of operative results. A second classification has also been established to give the officers the data necessary in considering the business of the City in its contractual relations. (See Exhibit “F,” pages 222 to 243.) The classification by objects of expenditure follows the general outline prepared by the President’s Economy and Efficiency Commission for the use of the various departments of the Federal Government. In making this classification, the actual expenditures from January 1st to July 31st for each Department were prepared upon a uniform object of expenditure basis, to which has been added in each case a proportionate amount for the five remaining months of the year. For

comparative purposes, the estimated expenditures of each Department and Bureau for 1911 have been placed in columns opposite their estimated requirements for 1912. A number of differences between the 1911 expenditures and the 1912 requirements will be noticed in examining Exhibit "F" (see pages 222 to 243).

I am greatly in favor of a more uniform arrangement of the items of the annual appropriation ordinances, and believe that the object of expenditure classification should be of material assistance in effecting such an improvement should your honorable bodies see fit to undertake such a change this year.

#### *Balance Sheets.*

A summary statement of the financial condition of the City, including its assets, liabilities, estimated receipts, appropriations and reserves is shown in Exhibit "A" (pages 199 to 201). The immediate purpose of the summary consolidated balance sheet is to present in a single statement the financial condition as well as all the funding relations of the City.

Exhibit "B" (pages 208-209) presents in detail as at July 31, 1911, the general account balance sheet with the operation account and surplus account; Exhibit "C" (page 210), the capital account balance sheet with the permanent funds, properties and improvements, and the sinking fund; Exhibit "D" (page 211), the special and trust account balance sheet with the fire insurance fund, and other special and trust funds; and Exhibit "E" (pages 212-213), the fund balance sheet, which shows the condition and limitations upon the general fund, the loan fund, and the park fund.

These balance sheets have a new feature over those of December 31, 1910, included in the last annual report, in that these are made comparative with the balances at the opening of the year, January 1, 1911, and increases and decreases in each account are shown. After the new system of asset and liability, revenue and expense, fund and appropriation accounting is a year old, it will be possible to compare balances with those of a year previous, thus affording more valuable comparisons.

*Audit of Inventory of City Property.*

The audit of the inventory of City property that was taken in November and December, 1910, has been completed, and property accounts with each class of property have been opened in the new property ledger. A property record has been opened that controls the custodianship of property by Departments and Bureaus and agrees in total with the property ledger. Both the ledger and the record are controlled by the permanent property account in the general ledger. In auditing the inventories it was ascertained (1) that they had been made by responsible officials and that titles, dates and signatures were correct; (2) that all City property of a permanent nature had been included and that property not of a permanent nature had been excluded; (3) that duplication of properties or entries in error did not exist; (4) that all property was correctly described and classified and that clerical inaccuracies did not exist; (5) that original cost values, as shown, were accurate; and (6) that present values had been established with due regard to depreciation and obsolescence.

In determining whether all real estate and improvements had been reported, and in the elimination of duplication and other errors of entry, the cooperation of the Board of Revision of Taxes and the Bureau of Surveys of the Department of Public Works was obtained.

The adjustment of the permanent property account of the general ledger to the figures arrived at as a result of the audit, will not be made until the inventories of the gas works and other City properties not yet inventoried have been returned to this Department, which will be accomplished by December 31, 1911.

*Funded Debt.*

The gross funded debt of the City on January 1, 1911, was \$98,403,800. This has been further increased by the sale of \$1,400,000 of the \$11,200,000 loan of June 17, 1898, the \$2,300,000 loan of April 21, 1911, and

\$8,950,902 of the \$9,750,000 loan of June 19, 1911, and \$100 unclaimed matured loan returned by the Farmers' and Mechanics' National Bank. Three hundred dollars unclaimed matured loan was redeemed by the Commissioners, leaving a gross funded debt August 1, 1911, of \$111,054,502. The City securities held by the Sinking Fund Commissioners January 1, 1911, amounted to \$12,155,600; these have been increased by the addition of \$1,469,000, making the total amount held August 1, 1911, \$13,624,600, and cash in Third National Bank, in excess of unclaimed interest, amounting to \$2,829.18, leaving the net debt, after deducting the excess of cash over unclaimed interest, \$97,427,072.82.

On August 1, 1911, there was still awaiting negotiation the following authorized loans:

Grade crossings.....	\$1,425,000	loan of Oct. 1, 1906
Various improvements.....	1,000,000	loan of Feb. 9, 1907
Various improvements.....	799,098	loan of June 19, 1911
<hr/>		
Total.....	\$3,224,098	

### *\$9,750,000 Loan.*

In my statement bearing date of August 1, 1910, I called attention to the City's remarkable success in the sale of the \$5,000,000 4 per cent. loan by public subscription. It is with great pleasure I now call attention to the still greater success which marked the City's second attempt to place a large loan directly in the hands of the people. This latest testimony to the high esteem in which investors, both large and small, now hold the credit of the City of Philadelphia is doubly important, because of the circumstance that in this latest instance the amount of bonds offered was nearly twice the sum offered in the summer of 1910, this latest issue being \$9,750,000. The public bids for this loan amounted to over \$13,500,000, which exceeded the total bonds offered for sale by about 40 per cent.

The same commendable features, in size of bids and character of bidders, noted in my previous statement were again conspicuous. A considerable portion of the money sub-

scribed undoubtedly came from the hidden savings of people who have not yet learned the banking habit, and are, therefore, still depending upon the doubtful safety of money hidden about the home; consequently, the City's success in persuading these timid investors to bring within the area of availability for use by the great commercial interests of the country coin and currency heretofore absolutely out of circulation, was a distinct benefit to the whole community in that the money so drawn from its hiding places passed to the banks and, in turn, formed the basis of a new volume of credit necessary to healthful development in all lines of commerce and manufacture.

A noticeable and gratifying feature in this latest effort of the City to come in direct contact with this investment-making section of the public is that in the bidding for the loan just issued more out-of-town bids were received than ever before, indicating, it seems to me, a more general acceptance by the people of Pennsylvania of the idea that as Philadelphia is the great port and manufacturing center of the State, the prosperity of the State as a whole is increased by the prosperity of Philadelphia—in other words, that the interests of State and City are distinctly one and the same.

The above list of payments of mandamus executions to August 1st shows an increase in comparison with the same date last year of \$380,404.37. Provision for payment of \$2,000,000, in accordance with the estimate of the City Solicitor, for the whole year has been made, and from present prospects will not be exceeded.

### *Board of Public Education.*

In conclusion, it seems proper that mention should be made of the important incident represented by the severance of relations December 31, 1911, between the Board of Public Education and the Municipal Administration, brought about by the Act of May 18, 1911, conferring new powers and an independent life upon the Board of Public Education.

While the Board of Public Education has never been, under the strict construction of the law, a department of the City government, its work has been closely interwoven with the fabric of municipal administrative life—appropriations requiring the sanction of Councils and public borrowing for educational purposes being a part of the general loan negotiations of the City.

Under the new order, which gives the reconstructed Board power to levy taxes and pledge the credit of the City or school district, disposing of funds so derived as they see fit, the intimate relations which have existed since the legislation of 1854 called into existence the present City of Philadelphia will come to an end.

Such an important change in the conduct of a great division of municipal activity happens but seldom in the history of a great city, and facing the new order and the termination of a relationship which has covered fifty-seven years, during which the City has grown from a population of 500,000 to 1,500,000, I wish to place on record my appreciation of the services rendered to the City by those in control of this great section of its beneficent activities, and to express the hope that, under the new order, called into existence by the new School Act, still greater benefit may accrue to the City in the development of those who must take upon themselves the burden of citizenship in the years that are to come.

Very respectfully, your obedient servant,

JOHN M. WALTON,

*City Controller.*

## APPENDIX No. 116.

*Philadelphia, September 14, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred an ordinance entitled “An Ordinance to levy and fix the rate of taxes for the year 1912,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), Henry W. Lambirth, Walt. T. Sykes, Watson D. Upperman, John H. Hahn, G. W. Kucker, Thomas J. Morton, E. Buchholz, C. E. Connell, Alfred Gratz (for report only), Louis Hutt, Harry C. Ransley, H. J. Trainer, Chas. R. Campbell.

## AN ORDINANCE

To levy and fix the rate of taxes for the year 1912.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Board of Revision of Taxes are hereby authorized and required forthwith to levy on the taxable property returned by the assessors as the assessment made in the year 1911 (except such as are marked agricultural and farm land, and rural or suburban), a tax of one (1) dollar on the hundred dollars on the assessed value thereof.

SECT. 2. The said tax to be levied for the year 1912, as one City and County tax, and is hereby voted for the following objects for the said year, viz.:

Item 1. For the relief and employment of the poor, the sum of five (5) cents.

Item 2. For lighting the City, the sum of fifteen (15) cents.

Item 3. For the payment of interest on the funded

debt and for the Sinking Funds, the sum of fifteen (15) cents.

Item 4. For the care of the public highways, the sum of four (4) cents.

Item 5. For the supply of water, the sum of two (2) cents.

Item 6. For the police, the sum of six (6) cents.

Item 7. For the care of markets and City property, the sum of two (2) cents.

Item 8. For fire, the sum of two (2) cents.

Item 9. For the prisons, the sum of two (2) cents.

Item 10. For the Department of City Commissioners, the sum of ten (10) cents.

Item 11. For health, the sum of three (3) cents.

Item 12. For the remaining expenses of the municipality, the sum of thirty-four (34) cents; and said amounts are hereby declared to be appropriated for said objects, subject to further direction by ordinance; and it shall be the duty of the Receiver of Taxes to cause to be printed on the tax bills the rate voted for the objects hereinbefore mentioned.

SECT. 3. On all such portions of assessed property marked "agricultural and farm lands," only one-half of the highest rate of tax shall be levied, and on all such portions marked "rural or suburban," only two-thirds of the highest rate of tax shall be levied; and no part set apart for the relief and employment of the poor shall be levied on the assessed property value in wards where houses for the accommodation of the poor are provided, as required by the eighteenth section of the Act of February 2, 1854.

SECT. 4. That upon all taxes paid between February 1st and February 15th, a discount of two and one-half ( $2\frac{1}{2}$ ) per cent. shall be allowed; between February 16th and February 28th, a discount at the rate of two and one-quarter ( $2\frac{1}{4}$ ) per cent.; during March, two (2) per cent.; during April, May and June, one (1) per cent.; during the months of July and August no discounts shall

be allowed and no penalties shall be imposed. If paid after the 31st day of August, and on or before the 30th day of September, an addition or penalty of one (1) per cent. If paid on or before the 31st day of October, there shall be an addition or penalty of two (2) per cent. If paid on or before the 30th day of November, there shall be an addition or penalty of three (3) per cent. If paid on or before the 31st day of December, there shall be an addition or penalty of four (4) per cent.; and upon all taxes remaining unpaid on and after the 1st day of January, there shall be an addition or penalty of five (5) per cent., and the cost of advertising added to and made payable on the same. And it shall be the duty of the Receiver of Taxes to display, from day to day, in large figures, and in a conspicuous place in the Tax Office, the amount of discount or penalty fixed by ordinance.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

## APPENDIX No. 119

*Philadelphia, September 14, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to place on the City plan Windrim avenue, sixty feet wide, from Twentieth street to Wayne avenue,” respectfully report that because of the recent authorization of the con-

struction of the Wayne Junction low grade freight line and the consequent vacation and relocation of Wingohocking street just west of Germantown avenue, it has become a matter of great importance for the proper development of this immediate section that Windrim avenue be placed upon the plan. Such a street as is proposed would be a most important and much needed diagonal thoroughfare at this point. Damages for the opening may be estimated at about twenty-five thousand (25,000) dollars. We therefore approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), W. Edwin Bonnick, Daniel Cahill, Wm. Boal, Albert DePrefontaine, Harry C. Ransley, H. J. Trainer, Chas. R. Campbell, F. S. Cantrell, Jr., Jno. D. Powers, Geo. W. Spielberger, Fred. Schwarz, Jr., Nicholas J. Schmucker, Henry R. Shoch.

### AN ORDINANCE

To place on the City plan Windrim avenue, sixty feet wide, from Twentieth street to Wayne avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be directed to place on the City plan Windrim avenue, sixty feet wide, from Twentieth street to Wayne avenue.

## OFFICE OF THE MAYOR.

*Philadelphia, September 28, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—It has been brought to my attention that the Greaves Mansion, located in the Fifteenth Ward of the City of Philadelphia, could be improved and placed in use immediately as a temporary aquarium for the exhibition of fish and other aquatic life, for the sum of fifteen hundred (1,500) dollars, and I accordingly urge that your Honorable Bodies make the appropriation immediately, as the amount appropriated can be taken out of the moneys received by the City from the sale of the machinery now at the pumping station, which will realize, from the bids received, a sum in excess of the amount requested.

I have been assured that the sum requested will be adequate to provide a very satisfactory exhibition and aquarium, which can be placed in operation in a few weeks and can be utilized afterwards in the larger structure to be carried out and provided for out of the funds realized from the sale of the machinery. As this will immediately bring the aquarium into use and give the people a very good idea of what the completed aquarium will mean to the City and her citizens. I ask early action by your Honorable Bodies.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## AN ORDINANCE.

To make an appropriation to the Department of the Mayor for the year 1911.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of fifteen hundred (1,500) dollars be, and the same is hereby appropriated to the Department of the Mayor, Item 45 (new), in the annual appropriation for the year 1911, for the construction, installation and maintenance of an aquarium for the exhibition of fish and aquatic life in the Greaves Mansion, located in the Fifteenth Ward of the City of Philadelphia.

## APPENDIX No. 135.

## OFFICE OF THE MAYOR.

*Philadelphia, September 28, 1911.*

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—I have the honor to transmit herewith to your Honorable Bodies three ordinances entitled “An Ordinance to authorize the placing of Richmond avenue upon the City plan and the revision of the lines and grades of intersections and streets contiguous thereto or affected thereby;” “An Ordinance to authorize the revision of the lines and grades of streets, the establishment of new streets and the placing upon the City plan of a civic center or public square in the Fortieth Ward;” “An Ordinance to authorize the revision of the lines and grades of Pennypacker avenue in the Thirty-sixth Ward, the placing of an extension of the said avenue upon the City plan in the Fortieth Ward, and the necessary revision of lines and grades of streets affected by or adjacent to the same.” These ordinances have been prepared by the Bureau of Surveys and are part of the comprehensive plans for

the improvement of the City of Philadelphia, and it is unnecessary to call to the attention of your Honorable Bodies the necessity for them and the great improvements they will make in the City.

Summing them up in brief, the placing of Richmond avenue upon the City plan, from the City Hall northeast, will bring to the heart of the City the vast population lying to the northeast and will benefit it greatly by shortening the distance between the center of the City and that section, and affording opportunities for the development of better and increased transportation facilities. It will mean not only added comfort and convenience, but will mean a saving in time and money to all the citizens of that section who have business in the central district of the City. Furthermore, it will develop and bring into taxation large tracts of undeveloped territory lying to the northeast, which is admittedly one of the finest sections of the City, and at the same time has not been developed along the same progressive lines which has characterized the development of other sections. The extension of this avenue means a great deal—more, perhaps, than can be rightly estimated at this time—and a full appreciation of its benefits may not be obtained until its daily use has become so common that even then it may fail to be rightly estimated because its convenience, comfort and utility will become so well recognized that their value will be overlooked.

All the larger municipalities of the world have realized the necessity for the extension of such avenues for the relief of the great congestion which arises in the central districts when an attempt is made by a municipality to continue along the lines and principles that were laid down two hundred and twenty-five years ago for a city of a few thousand citizens, when the territory planned for that date has to accommodate the business transactions of over two million people. The placing of this street upon the City plan at this time will mean the saving of hundreds of thousands of dollars that would be lost by the delay in placing it upon this plan, and its opening, widening and improvement, of course, will be postponed until such times

as the City has the necessary funds to carry it out. If it is a necessity of to-day, it will be a greater necessity of the future, and the time is at hand to place it upon the plan in order that the same mistake that was made in the case of the Parkway may be avoided, and in order that it may not be delayed for twenty years and the City put to an increased cost for its opening. To delay placing it upon the plan would be most unwise, and provision should be made now for the future needs as well as present comforts. The great benefit to the citizens and to the City warrants its passage, and I urge your Honorable Bodies to give it serious and earnest consideration.

The passage of the ordinance authorizing the revision of the lines and grades of Pennypacker avenue from Twentieth street to the Schuylkill river, in the Thirty-sixth Ward, will mean the development of the great section of the Thirty-sixth Ward that is now lying undeveloped and which by reason of its proximity to the center of the City is capable of development on a high scale, which will bring to the City increased income in taxation, which will be ample warrant for the passage of this ordinance.

In like manner, the ordinance authorizing the revision of the lines and grades of streets and the establishment of new streets in the Fortieth Ward, and the placing on the City plan of a civic center or public square, bounded by Botanic avenue, Eightieth street, Ashwood street and Eighty-second street, will also mean the development of that section of the City.

These ordinances, as I have stated, have been prepared by the Bureau of Surveys and are introduced in order that your Honorable Bodies may carry forward the progress of the City of Philadelphia on a large and fitting scale, and that improvements may be made in a section of the City that is susceptible of improvement by reason of its undeveloped condition.

The Richmond avenue extension will mean the granting to the northeast of the same facilities which other sections of the City enjoy. The northwest has existing diagonal

avenues reaching almost to the center of the City, and the southwest, by reason of its increased transportation facilities, owing to the subway and elevated lines, but the northeast has been denied the same privileges, and for that reason I know your Honorable Bodies will give this ordinance your favorable consideration.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

### AN ORDINANCE.

To authorize the revision of lines and grades of streets, the establishment of new streets and the placing upon the City plan of a civic center or public square in the Fortieth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works, Board of Surveys, be authorized to revise the lines and grades of streets and to establish new streets in that portion of the Fortieth Ward bounded by Eastwick avenue, Seventy-ninth street, Lisser avenue and Eighty-third street, and to place upon the City plan a civic center or public square bounded by Botanic avenue, Eightieth street, Ashwood avenue and Eighty-second street.

---

### AN ORDINANCE.

To authorize the placing of Richmond avenue upon the City plan and the revision of the lines and grades of intersections and streets contiguous thereto or affected thereby.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works, Board of Surveyors, be authorized to place

Richmond avenue upon the City plan, of widths of not less than one hundred and twenty (120) feet and not more than one hundred and fifty (150) feet, except at intersections, in a generally direct line from City Hall north-eastward to a connection with Girard avenue at or near Frankford avenue, to revise and enlarge the intersections at Ninth and Vine streets and at Fifth and Spring Garden streets, and to make such revision of the lines and grades of streets contiguous thereto or affected thereby as may be necessary to establish proper grades upon the said avenue and intersections and complete the City plan.

SECT. 2. The width of the said avenue and the ground included within its lines and within the lines of the said intersections shall be as determined by the plan of the same, made under authority of this ordinance, and no building or portion of building, steps or fences, appurtenant to private property, shall extend beyond the established lines.

---

## AN ORDINANCE.

To authorize the revision of the lines and grades of Pennypacker avenue in the Thirty-sixth Ward, the placing of an extension of the said avenue upon the City plan in the Fortieth Ward, and the necessary revision of lines and grades of streets affected by or adjacent to the same.

SECTION 1. *The Select and Commor. Councils of the City of Philadelphia do ordain*, That the Department of Public Works, Board of Surveyors, be authorized to revise the lines and grades of Pennypacker avenue, from Twentieth street to the Schuylkill river in the Thirty-sixth Ward, to place an extension of the said avenue upon the City plan from the Schuylkill river to Cobb's Creek in the Fortieth Ward, and to make such revision of the lines and grades of streets intersecting, or lying adjacent to, the said avenue as may be necessary to complete the plans. *Provided*: That the said Pennypacker avenue shall not exceed the width of one hundred and fifty (150) feet, except at its intersection with other streets.

## AN ORDINANCE

To permit the Trustees of the German Hospital to lay pipes and conduits under and across Corinthian avenue south of Cambridge street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be hereby given to the Trustees of the German Hospital to lay pipes and conduits, for the conveyance of steam, water and electric wires, under and across Corinthian avenue, south of Cambridge street, to connect the Hospital with the new Nurses' House on the east side of Corinthian avenue. The work of laying said pipes and conduits shall be done without interfering with any municipal or other structures in said street, and under and subject to the inspection of the Departments of Public Works and Public Safety, and in accordance with plans and drawings to be approved by the said Departments and the Board of Highway Supervisors: *Provided*, That the said pipes and con-

duits shall be used exclusively in the conduct of their business at said location; and that before exercising any privileges under this ordinance the said Trustees of the German Hospital shall first file an agreement and bond in the sum of one thousand (1,000) dollars, satisfactory to the City Solicitor, indemnifying the City against all damages by reason of the laying and maintenance of said pipes and conduits, and agreeing to replace and maintain the street torn up by reason of said work, in a manner satisfactory to the Department of Public Works. The privilege hereby granted shall be revocable at any time upon the passage of an ordinance to that effect.

## APPENDIX No. 149.

## OFFICE OF THE MAYOR.

*Philadelphia, October 19, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—On October 7th I appointed an art jury for the City of Philadelphia, as provided for in the Act of Assembly approved on May 25, 1907, entitled "An Act creating an art jury for cities of the first class, and prescribing its powers and duties. Section 3 of the said Act provides *inter alia* that "Councils of the said City shall by ordinance provide for the necessary expenses of the jury, including the salaries of such clerk or clerks as may be required, and appointed by the Mayor of said cities." Accordingly, in order that the work of the jury shall be facilitated and that proper aid and assistance shall be given them by your Honorable Bodies, I ask that an appropriation of two thousand and fifty (2,050) dollars be made for the balance of the year 1911, to pay the salaries of the following officials:

Assistant Secretary, \$5,600 per annum,

Stenographer and clerk, \$900 per annum,

and the balance of the said two thousand and fifty (2,050) dollars to be expended in the following manner:

For office furniture, \$1,000.

For stationery, postage, telephone and telegraph charges, transportation and incidentals, \$240.

For cleaning office, \$60.

This sum is based upon an average estimated expenditure of six thousand three hundred (6,300) dollars per year, which is, in the opinion of the jury, sufficient to carry on its work. As the work which they shall have to perform from time to time will be of considerable extent, and because of the high character of the jurors appointed, it is necessary that they should be provided with a suffi-

cient working force and proper appropriations. Therefore I urge the early appropriation by your Honorable Bodies of the amount requested in order that they can immediately begin work.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

APPENDIX No. 150.

OFFICE OF THE MAYOR.

*Philadelphia, October 19, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—For some time I have been debating the question of bringing before your Honorable Bodies the matter of an appropriation to pay for the painting of a portrait of the former Mayor of the City, the Honorable John Weaver, and I have refrained from doing so because I believed that, following the custom in practice, your Honorable Bodies would make an appropriation, and would have done so before this time in order that proper and fitting recognition be given to the services which he rendered for the City and her citizens. No action has been taken, however, and for that reason I do not believe any longer time should be allowed to pass without urging upon you some action looking towards the granting to Mr. Weaver the distinction and honor which is his due. I presume, however, the matter has been merely overlooked in the multiplicity of the details and duties which confront your Honorable Bodies in the course of your work, and that it will merely be necessary to call your attention to it. As a man and as a Mayor, Mr. Weaver deserves such recognition.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## AN ORDINANCE

## APPENDIX No. 157.

*Philadelphia, October 26, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to authorize the drawing and countersigning of a warrant in favor of

the Knox Automobile Company of Philadelphia, for combination automobile, chemical and hose wagon furnished the Department of Public Safety," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Charles Seger, C. E. Connell, Henry W. Lambirth, E. Buchholz, G. W. Kuecker, Walter T. Sykes, Jno. P. Connelly, John H. Hahn, Frank H. Caven, E. B. Gleason, Edw. W. Patton, Peter E. Costello, Thomas J. Ryan.

### AN ORDINANCE

To authorize the drawing and countersigning of a warrant in favor of the Knox Automobile Company of Philadelphia, for combination automobile chemical and hose wagon furnished the Department of Public Safety.

WHEREAS, The Knox Automobile Company of Philadelphia, on February 1, 1910, placed on trial with the Bureau of Fire (Department of Public Safety) a combination automobile chemical and hose wagon. After the wagon had been in service nineteen days, on February 20, 1910, because of the strike of the employees of the Philadelphia Rapid Transit Company, the said wagon was dismantled of the fire apparatus and continuously used for police work until about April 27, 1910, when it was returned damaged to such an extent that the Knox Automobile Company of Springfield, Mass., the manufacturers, refused to receive it, and has demanded the price of the wagon from the City of Philadelphia. The Knox Automobile Company of Philadelphia has since caused the apparatus to be a thoroughly equipped combination automobile chemical and hose wagon. In recognition of what might properly be called a moral obligation, and to meet the liability arising therefrom, and to pay the claim in consequence; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Safety be authorized to draw, and the City Con-

troller to countersign, a warrant in favor of the Knox Automobile Company of Philadelphia, in the sum of four thousand (4,000) dollars to pay for a combination automobile chemical and hose wagon furnished to the Department of Public Safety in 1910, and charge the same to Item 15 in the appropriation to the Department of Public Safety (Bureau of Fire), for the year 1911.

## APPENDIX No. 161.

## OFFICE OF THE MAYOR.

*Philadelphia, November 2, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia

GENTLEMEN:—On behalf of a Committee of Citizens, I transmit herewith for consideration by your Honorable Bodies an ordinance appropriating the sum of fifty thousand (50,000) dollars towards defraying the expenses to be incurred in connection with the International Navigation Congress, to be held in this City in June, 1912. The purpose of the Congress, its scope, importance and object, is appreciated by you, and I hope you will recommend the appropriation requested.

It will not be a convention attended by thousands, but among its delegates will be represented men of many lands and many countries, men distinguished in the arts and sciences, in professional and political life, in commerce and in industry, men of the highest type of achievement, culture and attainment, who will come to this City for the purpose of developing and fostering international relations and the development of the means of inter-communication and transportation. To the City of Philadelphia, I believe, the Congress will bring untold advantages that cannot be estimated or appreciated at the present time to their fullest extent. The Port of Philadelphia, in my opinion and in the judgment of many, is entering upon a new history of achievement and a new period of development that will enable Philadelphia in a short time, if proper assistance is officially given by the municipality, to rank among the greatest ports of the world. I do not mean to discredit her present position, but aim merely to state a fact that is commonly known—that she can progress and develop if the proper assistance is given. At the very beginning of this movement, at the time when she is about to take a great step forward, it can readily be appreciated what it will mean to Philadelphia to bring

representatives of all nations to her, to enable them to study and appreciate local conditions and see what is being done and that which is planned for the future. It is a victory for Philadelphia of which all Philadelphians should be justly proud that an International Navigation Congress of this character should have overlooked rival ports and come to this City, and I believe the Congress is coming here because its officials and members recognize the great development that is going to take place in Philadelphia along lines closely related and affiliated with their work.

It is not a large sum that they request, and, considering the importance of the movement and what it means to extend to these men the hospitality which is their due, the recognition which they should receive, and the generous and warm-hearted courtesy and kindness which is characteristic of this City, the appropriation should be made. In order, however, that plans may be perfected and the work developed, it should be made at an early date. Although the Congress is not to be held until next June, the Committee must be guided in its plans by the funds they have, and the early appropriation of the amount requested will enable them to perfect their program and plans for the entertainment of the delegates and for the fitting and proper exhibition of Philadelphia's worth and Philadelphia's achievements.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## APPENDIX No. 172

OFFICE OF THE MAYOR

(

*Philadelphia, November 9, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—On September 14, 1911, I transmitted to your Honorable Bodies the draft of an ordinance entitled "An Ordinance to authorize the placing of certain streets upon the City plan, the establishment of a continuous avenue for commercial and general highway purposes, and the revision of lines and grades of streets along or near the Delaware and Schuylkill rivers from the Poquesing creek to Gray's Ferry avenue," together with a message recommending that your Honorable Bodies pass the ordinance in order to aid in the development of Philadelphia's commercial facilities and the advancement of the interests of the Port.

Since that date I believe public opinion has become more and more impressed with the advantage, utility and wisdom of such an avenue, and imbued with the idea of what it means to the City of Philadelphia. The Permanent Committee on Comprehensive Plans for the future development of the City of Philadelphia, at a meeting held on November 8, 1911, adopted a resolution directing the Chairman to address your Honorable Bodies urging your speedy and favorable consideration of this matter. In accordance, therefore, with the resolution adopted, it is my pleasure to again call your attention to it. There are many matters before your Honorable Bodies for consideration, matters of moment and importance, but I do not believe there are any that mean so much, not to the present but to the future, and that will bring greater credit and greater glory to the men who have aided in its passage, than this ordinance. As a step forward, as a progressive measure that will result in added prosperity to the City and her people, the advantage of the commercial avenue cannot be over-estimated. As the

widening of Delaware avenue has benefited the river front between South and Vine streets, so the extension of the commercial avenue along the southeastern river front will bring into use waste lands and result in the development of manufacturing industries, warehouses, wharves, docks and terminals that will cause lands now assessed at a low rate to return a greater and increased revenue to the City. The cost of this avenue will be justified not only in its direct result to the citizens, but in the fact that the City will receive a far greater return than the actual cost of opening, grading and paving.

The present ordinance merely calls for its placing on the City plan, and if your Honorable Bodies will secure to the City this right of way and provide for its future development, I know the business interests of Philadelphia and the citizens will be gratified and pleased. As part of the comprehensive plans for the development of Philadelphia and as a small part of this great movement to benefit, help and extend Philadelphia's trade, influence, comfort, happiness and prosperity, this ordinance will mark an advance step.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## APPENDIX No. 183.

*Philadelphia, November 16, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to place on the City plan Nelson, Overington, Rutland, Ringgold, Taylor, Titan, Kerbaugh, Conestoga, Yewdall, Alder, Irving, Felton, Hirst, Carpenter and Webster streets,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), George H. Kelley, W. W. Trinkle, Fred. Schwarz, Jr., James H. McGurk, Edwin S. Ward, John P. Connelly, Henry F. Kennedy, H. J. Trainer, Nicholas J. Schmucker, Albert De Prefontaine, Saml. K. Stinger, Wm. Boal, Geo. W. Spielberger.

## AN ORDINANCE

To place on the City plan Nelson, Overington, Rutland, Ringgold, Taylor, Titan, Kerbaugh, Conestoga, Yewdall, Alder, Irving, Felton, Hirst, Carpenter and Webster streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to place on the City plan Nelson street, of the width of thirty feet (formerly Howard terrace), from Mt. Airy avenue northwestwardly about one hundred and sixty-two feet; Overington street, of the width of fifty feet, from Oakland to Rutland street; Rutland street, of the width of forty feet, from Overington to Large street; Ringgold and Taylor streets, each of the width of forty feet, from Morris to Moore street; Titan street, of the width of thirty feet, from Twenty-second to Twenty-third street; Kerbaugh street, of the width of forty feet, from Germantown avenue to Sixteenth street; Conestoga and Yewdall streets, each of the width of forty feet, from Thomas to Whitby avenue; Alder street, of the width of forty feet, from Butler to Pike street; Irving street, of the width of forty feet, from Sixty-first to Sixty-second street; Felton and Hirst streets, each of the width of forty feet, from Spruce to Locust street; Carpenter and Webster streets, each of the width of sixty feet, from Sixty-first to Sixty-second street: *Provided*, That before said streets, excepting Nelson, Titan and Irving streets, shall be placed on the City plan the owners of property within the lines thereof shall, within one year from the approval of this ordinance, dedicate the beds of the same to the City on the lines and grades as confirmed by the Board of Surveyors, or shall indemnify the City against all damages or claims for damages which may arise from placing said streets on the plan and their subsequent opening to the confirmed lines and grades: *Provided, however*, That before said Nelson and Titan streets shall be placed on the plan satisfactory evidence shall be furnished that said streets were opened and in use for a

period of at least twenty-one years prior to May 3, 1909; and before said Irving street shall be placed on the plan, the owners of property lying between Sixty-first street and a point about 100 feet east of Sixty-second street shall, within one year from the passage of this ordinance, dedicate the property in the bed of said street, between the points named, or shall file a bond or agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of plotting and opening said portion of Irving street.

## APPENDIX No. 184.

*Philadelphia, November 16, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of lines and grades upon the portion of the City plan bounded by Ruscomb street, Broad street, Spencer street, Church lane, Stenton avenue and the right-of-way of the Philadelphia, Germantown and Norristown Railroad,” beg leave to report that the object of the proposed revision is to place upon such portions of the land least suited for building purposes and land the natural beauties of which should be preserved, such parkways, parking spaces and parks as will accomplish this purpose. It is desired also, in connection with this, to make such revisions of the street lines and grades as may be necessary, and that will be more conformable to the natural topography and to perfect the plan. The cost of such revision, except for parking spaces, will be less than upon the present plan.

We therefore return the annexed ordinance with a favorable recommendation and ask its passage.

George W. Zane (*Ch’n*), George H. Kelley, W. W. Trinkle, Fred. Schwarz, Jr., James H. McGurk, Edwin

S. Ward, John P. Connelly, Henry F. Kennedy, H. J. Trainer, Nicholas J. Schmucker, Albert De Prefontaine, Saml. K. Stinger, Wm. Boal, Geo. W. Spielberger.

## AN ORDINANCE

To authorize the revision of lines and grades upon the portion of the City plan bounded by Ruscomb street, Broad street, Spencer street, Church lane, Stenton avenue and the right-of-way of the Philadelphia, Germantown and Norristown Railroad.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) is hereby authorized and directed to revise the lines and grades of streets upon the portion of the City plan bounded by Ruscomb street, Broad street, Spencer street, Church lane, Stenton avenue and the right-of-way of the Philadelphia, Germantown and Norristown Railroad, and to lay out on said plan such parkways, parking places and parks as may best preserve the natural beauties of the land within said boundaries.

## APPENDIX No. 185.

*Philadelphia, November 16, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to strike from the City plan Fairhill street, from Olney avenue to Nedro avenue,” beg leave to report that the entire tract of ground between Seventh street, Fifth street, Olney avenue and Nedro avenue is in one ownership, and with the exception of the Olney avenue front and a few houses on Fifth street the property and streets are unimproved. It is the intention of the owner to de-

velop the three blocks of ground between Olney avenue and Nedro avenue by placing one intermediate street in each block. These streets are to be laid out parallel with Olney avenue. There are no conditions of drainage which require that this portion of Fairhill street should be retained on the City plan. The City will be at no expense by reason of striking this street from the plan.

We therefore return the annexed ordinance with a favorable recommendation and ask its passage.

George W. Zane (*Ch'n*), George H. Kelley, W. W. Trinkle, Fred. Schwarz, Jr., James H. McGurk, Edwin S. Ward, John P. Connelly, Henry F. Kennedy, H. J. Trainer, Nicholas J. Schmucker, Albert De Prefontaine, Saml. K. Stinger, Wm. Boal, Geo. W. Spielberger.

### AN ORDINANCE

To strike from the City plan Fairhill street, from Olney avenue to Nedro avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to strike from the City plan Fairhill street, from Olney avenue to Nedro avenue: *Provided*, That an agreement or bond, satisfactory to the City Solicitor, be filed within one year from the passage of this ordinance indemnifying the City against all damages by reason of striking said street from the City plan.

### APPENDIX No. 186.

*Philadelphia, November 16, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the message from the Mayor, accom-

panied with the bill entitled "An Ordinance selecting and appropriating two certain tracts of ground in the Twenty-second and Forty-second Wards as a park and open public place for the health and enjoyment of the people, authorizing the placing of the same upon the City plan and directing the Commissioners of Fairmount Park to assume the custody and maintenance of the same," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

George W. Zane (*Ch'n*), George H. Kelley, W. W. Trinkle, Fred. Schwarz, Jr., James H. McGurk, Edwin S. Ward, John P. Connelly, Henry F. Kennedy, H. J. Trainer, Nicholas J. Schmucker, Albert De Prefontaine, Saml. K. Stinger, Wm. Boal, Geo. W. Spielberger.

## AN ORDINANCE

Selecting and appropriating two certain tracts of ground in the Twenty-second and Forty-second Wards as a park and open public place for the health and enjoyment of the people, authorizing the placing of the same upon the City plan and directing the Commissioners of Fairmount Park to assume the custody and maintenance of the same.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That by virtue and in pursuance of the authority vested in them by the fourth section of an Act of Assembly approved May 13, 1857, they do select and appropriate, for park purposes and for the health and enjoyment of the people forever, all those two certain tracts of ground lying in the Twenty-second and Forty-second Wards, and bounded and described as follows:

One of them beginning at a point, the intersection of the southeast side of Wister street (forty feet wide) and the southwest side of Duncannon street (fifty feet wide); thence extending along the southeast side of said Wister street, crossing Duncannon street, north forty de-

degrees four minutes east one hundred and thirty-four feet four and one-fourth inches to an angle; thence still along the southeast side of said Wister street north forty degrees twenty-one minutes east two hundred and fourteen feet eight inches to a point in the westerly right-of-way line of the Germantown Branch of the Philadelphia and Reading Railway; thence extending along the said right-of-way line the ten following courses and distances: south sixty-three degrees twenty-seven minutes, east one hundred feet, south fifty-five degrees seventeen minutes, east one hundred feet, south fifty degrees thirteen minutes, east one hundred feet, south thirty-eight degrees thirty-four minutes, east one hundred feet, south thirty-one degrees forty-three minutes, east one hundred feet, south twenty-one degrees twenty-four minutes, east one hundred feet, south fifteen degrees nineteen minutes, east one hundred feet, south four degrees fourteen minutes, east one hundred feet, south one degree forty-three minutes six seconds, east one hundred feet, south one degree ten minutes, west twenty-nine feet and three-fourths of an inch to a point in the northerly line of said Duncannon street (fifty feet wide), as formerly on the City plan; thence extending along the northerly side of said Duncannon street north seventy-eight degrees forty minutes and twenty seconds, west sixteen feet five and three-eighths inches to an angle; thence crossing said Duncannon street south forty-two degrees fifty minutes three seconds, west fifty feet and three-fourths of an inch to a point the intersection of the southwest side of Duncannon street and the northwest side of Shedaker street; thence extending along the northwest side of Shedaker street south thirty-nine degrees twenty-nine minutes, west one hundred and forty-nine feet four and five-eighths inches to a point; thence extending north forty-nine degrees fifty-seven minutes fifty seconds, west four hundred and eighty feet four inches to a point; thence extending north forty degrees four minutes, east one hundred and forty-nine feet seven and five-eighths inches to a point in the southwest side of the said Duncannon street (fifty feet wide); thence extending along the southwest side of said Duncannon street north forty-

nine degrees fifty-six minutes, west three hundred and twenty feet to a point in the southeast side of the said Wister street, the first mentioned point and place of beginning.

The other of them being all that certain tract of ground known as Wister's Woods Park, as placed upon the City plan by confirmation by the Board of Surveyors July 1, 1907, under authority of an ordinance of Councils approved March 12, 1907, and bounded, generally, by East Logan street, the right-of-way of the Germantown Branch of the Philadelphia and Reading Railway, Wister street, Somerville avenue and Nineteenth street.

SECT. 2. The City Solicitor is hereby directed to file in the Court of Quarter Sessions, a petition on behalf of the City setting forth the ground herein appropriated, to the end that the said Court shall appoint a jury to assess the damages as provided by law.

SECT. 3. As soon as the City shall become legally possessed of the tracts of ground herein described, the said tracts shall be named Wister's Woods Park, and shall be placed under the control of the Commissioners of Fairmount Park, subject to such rules and regulations as have been or shall be from time to time established by the said Commissioners for the care, management and maintenance of Fairmount Park: *Provided, however,* That such control shall not extend over streets or roads now upon the City plan or hereafter placed thereon as public highways over, across or through the said park.

SECT. 4. The Department of Public Works (Board of Surveyors) is hereby authorized to place the tract of ground first herein described upon the City plan for the objects and purposes hereinbefore recited.

SECT. 5. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

## OFFICE OF THE MAYOR.

*Philadelphia, November 21, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—It has been brought to my attention that the Greaves Mansion, located in the Fifteenth Ward of the City of Philadelphia, could be improved and placed in use immediately as a temporary aquarium for the

exhibition of fish and other aquatic life for the sum of fifteen hundred (1,500) dollars, and I accordingly urge that your Honorable Bodies make the appropriation immediately, as the amount appropriated can be taken out of the moneys received by the City from the sale of the machinery now at the pumping station, which will realize, from the bids received, a sum in excess of the amount requested.

I have been assured that the sum requested will be adequate to provide a very satisfactory exhibition and aquarium, which can be placed in operation in a few weeks and can be utilized afterwards in the larger structure to be carried out and provided for out of the funds realized from the sale of the machinery. As this will immediately bring the aquarium into use and give the people a very good idea of what the completed aquarium will mean to the City and her citizens, I ask early action by your Honorable Bodies.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

—

### AN ORDINANCE

Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to pay Cunningham & Murray for paving in front of unassessable property on American street, between Cambria street and Indiana avenue,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*) (for report), Edw. W. Patton, Peter E. Costello, Walt. T. Sykes, E. Buchholz, Chas. A. Gillingham, John P. Connelly, John F. Flaherty, Thomas J. Morton, G. W. Kueker, Louis Hutt, John H. Hahn, Chas. Seger, Wm. E. Finley, Henry W. Lambirth.

## AN ORDINANCE

To pay Cunningham & Murray for paving in front of unassessable property on American street, between Cambria street and Indiana avenue.

WHEREAS, Councils, by ordinance approved June 18, 1906, authorized the paving of the east side of American street, from Cambria street to Indiana avenue, with granite blocks, the cost of the paving, except intersections and unassessable property, to be paid by the abutting owners;

AND WHEREAS, The plan prepared by the Bureau of Surveys for the paving of this street did not take into consideration the fact that the bed of the street in the center was occupied by steam railroad tracks, and said plan made no provision for paying for the paving in front of or abutting upon the right-of-way of the railroad;

AND WHEREAS, The City Solicitor has decided that the paving in front of the right-of-way of the railroad tracks was non-assessable; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and he is hereby authorized and directed to draw, and the City Controller to countersign, a warrant in the sum of one thousand two hundred and twenty (1,220) dollars and twenty-eight (28) cents in favor of Cunningham & Murray for paving at intersections and in front of unassessable property on American street, from Cambria street to Indiana avenue. Said warrant to be drawn against the item for paving intersections and in front of unassessable property in the appropriation to the Department of Public Works (Bureau of Highways).

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

lingham, John P. Connelly, John F. Flaherty, Thomas J. Morton, G. W. Knicker, Louis Hutt, John H. Hahn, Chas. Seger, Henry W. Lambirth.

### AN ORDINANCE

To authorize the City Controller to accept the audit of the accounts of the Philadelphia Rapid Transit Company, for the year ending June 30, 1911, prepared by Messrs. Vollum, Fernley, Vollum & Rorer, Certified Public Accountants, in lieu of the audit thereof required by the fifth section of the contract between the City of Philadelphia and the Philadelphia Rapid Transit Company, dated July 1, 1907.

WHEREAS, By the fifth section of the contract between the City of Philadelphia and the Philadelphia Rapid Transit Company, dated the first day of July, 1907, as authorized by ordinance of said date, it is provided that the Philadelphia Rapid Transit Company shall file annually in the office of the City Controller, on or before the first day of October, a full statement of its receipts and expenditures for the preceding fiscal year ending June 30th, and that the City Controller shall examine the books, accounts and vouchers of the company for said fiscal year for the purpose of ascertaining the correctness of said accounts and report to Councils the result of such examination;

AND WHEREAS, It has been found necessary from year to year to have the examination provided for as aforesaid by the City Controller made for him by a certified public accountant or accountants, at a yearly cost to the City of Philadelphia of approximately two thousand (2,000) dollars;

AND WHEREAS, The firm of Vollum, Fernley, Vollum & Rorer, Certified Public Accountants, being the accountants who have heretofore made the said audit for the City of Philadelphia, have already made an audit of the books, accounts and vouchers of the said company for the fiscal year ending June 30, 1911, a copy whereof

has been furnished to the City Controller; now, therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That in lieu of the examination and audit of the books, accounts and vouchers of the Philadelphia Rapid Transit Company for said fiscal year ending June 30, 1911, required as aforesaid to be made by the City Controller, he, the City Controller, be, and is hereby authorized to accept the said audit of the books, accounts and vouchers made and certified by said firm of Vollum, Fernley, Vollum & Rorer, Certified Public Accountants as aforesaid, together with a certificate thereof in due form, and to report the same to Councils as directed by the fifth section of the said contract.

## OFFICE OF THE MAYOR.

*Philadelphia, July 13, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—I transmit herewith for consideration by your Honorable Bodies a proposition from Wendell & Wright, representing the Morris Estate, in which an offer is made to present to the City of Philadelphia a tract of about twenty acres of land in the Thirty-fourth Ward and known as Morris Park, for park purposes; provided certain improvements are made through, and contiguous to, the said Morris Park. The owners value this land at \$200,000. They also propose to dedicate to the City streets the area of which is about 12 9/10 acres, and valued by them at \$129,000. They request the City to make improvements amounting to about \$88,000. A portion of this amount would eventually be paid by the City in grading, bridges, etc., whether this proposition is accepted or not. The net cost to the City for the improvements as per estimates attached would be about \$32,000. The benefit to the City, based upon the assessed value, will be \$132,306. I would strongly urge the prompt acceptance of the proposition, believing it to be of great advantage and value to the City.

Respectfully submitted,

JOHN E. REYBURN,

*Mayor.*

## AN ORDINANCE

To authorize the acceptance of an offer made by the Girard Trust Company et al., Trustees, to dedicate and convey to the City of Philadelphia land contained within the boundaries of Morris Park, and streets and avenues in the Thirty-fourth Ward in the neighborhood thereof, upon the terms and conditions contained in said offer;

and directing the City Solicitor to prepare and have executed the necessary deeds and other instruments, in writing, to carry such offer into effect.

WHEREAS, The Girard Trust Company et al., Trustees, under a certain deed of trust bearing date the seventh day of December, A. D. 1910, made, executed and delivered by Mary Morris et al., being the heirs of Wistar Morris, deceased, to the said trustees, and recorded in the office for the recording of deeds in and for the County of Philadelphia, in Deed Book W. S. V., No. 1420, page 170, etc., by and through Messrs. Wendel & Wright, the agents of the said trustees, offered to dedicate and convey unto the City of Philadelphia certain tracts or pieces of land contained in Morris Park and certain streets or highways of the Thirty-fourth Ward in the neighborhood thereof, upon terms and conditions set forth in a letter directed to the Mayor, dated July 13, 1911, of the following tenor:

*Philadelphia, July 13, 1911.*

TO THE HONORABLE JOHN E. REYBURN,  
Mayor of the City of Philadelphia.

DEAR SIR:—The undersigned beg leave to submit to your consideration the following letter, written by them as agents for the Girard Trust Company et al., Trustees under a certain deed of trust bearing date the seventh day of December, A. D. 1910, made, executed and delivered by Mary Morris et al., being the heirs of Wistar Morris, deceased, to the said Trustees and recorded in the office for the recording of deeds in and for the County of Philadelphia, in Deed Book W. S. V., No. 1420, page 170, etc.

The trustees under said deed of trust have under consideration certain improvements east and west of the proposed Morris Park, as the same is now laid down on the confirmed City plan. They have entered into a formal contract with us to carry out these contemplated improvements. In order that our work may be done in the most advantageous way possible, not only to the Morris property, but also to the said Morris Park, we believe that changes should

be made in the boundaries of the said park, as the same now appear on the confirmed City plan.

The changes we suggest are as follows:

First. That the easterly boundary of the park, between a point one hundred feet south of the southerly side of Overbrook avenue and the southern boundary of said park, be changed so that the same will be situate two hundred feet west of Sixty-sixth street (see plan).

Second. That the small area at the northwest corner of Sixty-ninth street and Overbrook avenue, north of said Overbrook avenue and west of said Sixty-ninth street, be stricken off the plan of the said park and accordingly revert to the said trust estate (see plan).

Third. That the western boundary south from the southerly side of Overbrook avenue be moved eastward seventy-five feet (see plan).

If these changes, as above indicated, are made by the City, we are authorized to say that the trustees under the said deed of trust are willing to dedicate to the City for park purposes the tract of land on the south side of City avenue, between the boundary of Morris Park, as the same now appears on the confirmed City plan, and Sixty-ninth street, upon which said tract certain farm buildings are now erected; said buildings, except the dwelling house, to be torn down and removed at the expense of the trust estate, the right so to do to be expressly reserved.

We are also authorized to say that the said trustees, if and provided the City of Philadelphia will make certain improvements hereinafter mentioned, are willing to dedicate—

(1) To the said City, for park purposes, the entire tract of land contained within the boundaries of Morris Park, as the same will appear upon the City plan, when the three changes first hereinabove mentioned are made. This tract comprises more than twenty acres and is, in our opinion, of more than usual value.

(2) To dedicate to the said City the south one-half of City avenue, as eighty feet wide, as shown on the confirmed

City plan, from Lancaster avenue to the western limits of the land late of Wistar Morris, deceased, west of Seventy-third street.

(3) To dedicate to the said City, Overbrook avenue, from Sixty-sixth street to Seventy-first street.

(4) To grade and improve, under City inspection, said Overbrook avenue, from a point situate at the intersection of the southerly side of said Overbrook avenue and the western boundary of the said Morris Park, as the same will appear upon the City plan when the three changes first hereinabove mentioned are made to Seventy-first street.

(5) To dedicate to the said City, grade and improve, under City inspection, Sixty-fourth street, from said City avenue southeastward to the southerly boundary of the land late of Wistar Morris, deceased, as the same is situate at said Sixty-fourth street.

(6) To dedicate to the said City Sixty-ninth street, from Overbrook avenue to City avenue.

(7) To dedicate to the said City, grade and improve, under City inspection, two cross streets from Overbrook avenue to City avenue, between Sixty-ninth street and Seventy-first street, said cross streets to be located by the said trustees.

(8) To dedicate to the said City, grade and improve Seventy-first street, from Overbrook avenue to City avenue.

(9) To dedicate to the said City, grade and improve, Church road (see plan), from Lancaster avenue to City avenue; the trustees, however, expressly reserving the right to remove from said Church road, as the same is indicated on the plan annexed hereto, a certain dwelling house, situate about one hundred and fifty feet west of the westerly side of Lancaster avenue, and known as the Wayside Cottage, said dwelling house to continue to be the property of the said trust estate, to be used and disposed of as to the said trustees may seem wise.

The improvements which the said trustees require the City of Philadelphia to make, in part consideration, etc.,

etc., as enumerated in the paragraphs last hereinbefore set forth, numbers one to nine, inclusive, are as follows:

(1) To grade, macadamize and sewer the south half of City avenue, as eighty feet wide, as is shown on the City plan, from Lancaster avenue to Sixty-ninth street; it being our understanding that Lower Merion Township will co-operate with the City of Philadelphia and improve in the same manner the north half of City avenue, as eighty feet wide, from Lancaster avenue to Sixty-ninth street.

(2) To grade and macadamize the south half of City avenue, from Sixty-ninth street to the western limits of the land late of Wistar Morris, situate on the southerly side of said City avenue.

(3) To construct a new bridge on City avenue over Indian Run west of Sixty-sixth street, and to provide, in the construction of said bridge, suitable housing for the pumping plant belonging to the said trust estate and located at this point, it being our understanding that one-half of the cost of the erection of said bridge will be paid by Lower Merion Township.

(4) To grade, macadamize and sewer Overbrook avenue, from Sixty-sixth street to the point of intersection of the southerly side of said Overbrook avenue and the western boundary of the said Morris Park, as the same will appear on the City plan when the three changes in the boundary thereof first hereinbefore mentioned have been made, and to construct a new bridge over said Indian Run on the line of said Overbrook avenue.

(5) To grade, macadamize and sewer Sixty-ninth street, from Overbrook avenue to City avenue.

(6) To sewer Sixty-fourth street, from Overbrook avenue north to the southerly boundary of the land late of Wistar Morris, deceased, as the same is situate at Sixty-fourth street.

In view of the fact that roads, which are to be graded and macadamized from gutter or curb to gutter or curb, are to be finished with a patent surface by the trust estate, as hereinbefore provided, it is the opinion of the trustees that

(7) The roads to be graded and macadamized by the City, as hereinbefore provided, should be macadamized from gutter or curb to gutter or curb and finished with a patent surface, to make the same conform with the finish of the other roads to be graded and macadamized by the said trust estate.

The title to the land included in Morris Park, as the same will be when its boundaries have been changed, as hereinbefore mentioned, to pass to the City of Philadelphia, and proper conveyance to said City shall be made by said trustees immediately upon the due acceptance by the said City of the terms and conditions set forth in this letter, subject, however, to the definite condition subsequent that unless all and every the improvements to be made by the said City as hereinbefore provided are substantially completed within three years from and after the date of the acceptance of the terms and conditions herein contained by the Select and Common Councils of said City, said lands shall revert to and become the property of the said trustees and said trust estate.

We would request that suitable ordinances be passed by the Select and Common Councils of the City of Philadelphia—

First. Accepting the general proposition outlined in this letter; and,

Second. Authorizing the revision of the boundaries of Morris Park, as hereinbefore suggested; and,

Third. Providing for the carrying out of the improvements to be made by the said City of Philadelphia as herein outlined, at the earliest possible date; and,

Fourth. Authorizing the revision of the grade of City avenue, from Lancaster avenue to Haverford street, and of the streets adjacent thereto, and placing of the new streets hereinbefore mentioned upon the said plan.

The trustees above mentioned authorize us to say that the proposition set forth in this letter will remain open for

acceptance by the City for a reasonable time; it is, of course, understood that this proposition could not remain open indefinitely.

If this letter and the propositions it contains meet with your approval, will you kindly forward the same to Councils?

Yours very respectfully,

WENDELL & WRIGHT.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the said offer contained in the letter above referred to be, and the same is hereby accepted.

SECT. 2. The City Solicitor be, and he is hereby authorized and directed to prepare and have executed such deed or deeds or other instruments of writing as may be requisite or proper to carry into effect the said offer and this acceptance thereof.

## APPENDIX No. 211.

*Philadelphia, November 21, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance recognizing and approving the claim of the Manufacturers’ Appraisal Company for forty-eight thousand three hundred and seventy-one (48,371) dollars and ninety (90) cents for services rendered in furnishing to the Joint Special Committee of Select and Common Councils, appointed under the authority of resolution approved May 12, 1910, an appraisal showing the value in money of the land and buildings comprised in certain wards of the City of Phila-

delphia, by virtue of a certain contract between the Manufacturers' Appraisal Company and the City of Philadelphia, dated the 12th of August, 1910, and directing the payment of the said claim," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*) (for report), Edw. W. Patton, Peter E. Costello, Walt. T. Sykes, E. Buchholz, John F. Flaherty, Chas. A. Gillingham, Thomas J. Morton, G. W. Kucker, Louis Hutt, John H. Hahn, Chas. Seger, Wm. E. Finley (for report), Henry W. Lambirth (for report).

### AN ORDINANCE

Recognizing and approving the claim of the Manufacturers' Appraisal Company for forty-eight thousand three hundred and seventy-one (48,371) dollars and eighty (80) cents for services rendered in furnishing to the Joint Special Committee of Select and Common Councils, appointed under the authority of resolution approved May 12, 1910, an appraisal showing the value in money of the land and buildings comprised in certain wards of the City of Philadelphia, by virtue of a certain contract between the Manufacturers' Appraisal Company and the City of Philadelphia, dated the 12th of August, 1910, and directing the payment of the said claim.

WHEREAS, By Joint Resolution of Councils of the City of Philadelphia, approved May 12, 1910, a Joint Special Committee of the said Councils was appointed to investigate the valuation of taxable real estate in the City of Philadelphia, and by ordinance approved the 5th day of August, 1910, an appropriation of eighty-five thousand (\$5,000) dollars was made, and the execution of a contract with the Manufacturers' Appraisal Company was directed for the services of the Manufacturers' Appraisal Company in furnishing to the Joint Special Committee of Councils an appraisal showing in its judgment the

value in money of the land and buildings comprised in certain wards in the City of Philadelphia;

AND WHEREAS, A contract was executed between the City of Philadelphia and the Manufacturers' Appraisal Company on August 12, 1910, whereby the Manufacturers' Appraisal Company agreed to furnish to the Joint Special Committee of Select and Common Councils an appraisal showing, in its judgment, the present value in money of the land and buildings comprised in certain wards of the City of Philadelphia, and the City of Philadelphia agreed to pay them for such services the sum of one (1) dollar and seventy (70) cents for each parcel of land valued and reported, and in addition the sum of one (1) dollar and seventy (70) cents for each building valued and reported;

AND WHEREAS, The said Manufacturers' Appraisal Company had valued and reported its appraisal on eight thousand seven hundred and eighty-seven (8,787) lots of land and nineteen thousand six hundred and sixty-seven (19,667) buildings up to the time a certain bill in equity was filed in the case of *Emil Selig vs. the City of Philadelphia, et al.*, in the Court of Common Pleas No. 2 of Philadelphia County, September term, 1910, No. 1646, and an injunction was subsequently issued restraining payment to the said Manufacturers' Appraisal Company;

AND WHEREAS, It is right and just that said sum of forty-eight thousand three hundred and seventy-one (48,371) dollars and eighty (80) cents, being the price of the valuation of the aforesaid number of lots and buildings at one (1) dollar and seventy (70) cents each, which is now unpaid, should be paid to the said Manufacturers' Appraisal Company;

AND WHEREAS, The said claim of the said Manufacturers' Appraisal Company for the said sum of forty-eight thousand three hundred and seventy-one (48,371) dollars and eighty (80) cents is a meritorious and just claim for services rendered in good faith to that amount, and in honor and good faith there is due to the said Manufacturers' Appraisal Company from the City of Phila-

delphia the said sum, and that the said sum should be forthwith paid to it.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Clerks of Councils are hereby authorized and directed to draw, the City Controller to countersign, and the City Treasurer to pay a warrant for the said sum of forty-eight thousand three hundred and seventy-one (48,371) dollars and eighty (80) cents in favor of the said Manufacturers' Appraisal Company, which warrant shall be charged against Item 7½ in the appropriation to the Clerks of Councils for the payment of the Manufacturers' Appraisal Company and other expert fees and incidental expenses of the Joint Special Committee of Select and Common Councils to investigate and report as to the valuation of taxable real estate in the City of Philadelphia.

SECT. 2. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 218.

*Philadelphia, November 21, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to

authorize and direct the drawing and countersigning of warrants in favor of the Millard Construction Company for work done and materials furnished from December 19, 1910, to June 22, 1911, during the suspension of work on the Queen Lane Filter Plant; for work done and materials furnished on said plant during October and November, 1911, and for retained percentages on work done and materials furnished prior to December 19, 1910," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), John H. Hahn, G. W. Kucker, Peter E. Costello, Chas. Seger, Henry W. Lambirth, Jno. P. Connelly, John F. Flaherty, Thos. J. Morton, C. E. Connell, E. Buchholz, Louis Hutt, E. B. Gleason, Watson D. Upperman.

### AN ORDINANCE

To authorize and direct the drawing and countersigning of warrants in favor of the Millard Construction Company, for work done and materials furnished from December 19, 1910, to June 22, 1911, during the suspension of work on the Queen Lane Filter Plant; for work done and materials furnished on said plant during October and November, 1911; and for retained percentages on work done and materials furnished prior to December 19, 1910.

WHEREAS, After due advertisement, the City, on May 21, 1909, entered into a contract with the Millard Construction Company, for the construction of the Queen Lane Filter Plant;

AND WHEREAS, Work on said contract was suspended from December 19, 1910, to June 22, 1911, by reason of lack of appropriation. During this interval, the Company was required to safeguard the materials and structures at said plant, for which expenses no provision was made in the contract;

AND WHEREAS, By reason of a suit filed in Common Pleas Court No. 2, to test the validity of Supplemental

Contracts, all work on said Filter Plant has been suspended and payment under the contract refused, no allegation being made, however, derogatory to the quality or character of completed work, and complainants in said suit having disavowed any disposition to interfere if an ordinance were introduced in Councils to pay the contract price for said work; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized and directed to draw, and the City Controller to countersign, a warrant in favor of the Millard Construction Company in the sum of one hundred and thirty-seven thousand seven hundred and ten (137,710) dollars and ninety-nine (99) cents, to pay said Company for expenses of safeguarding materials and structures during the suspension of work on the Queen Lane Filter Plant from December 19, 1910 to June 22, 1911, and for all work done and materials furnished on said plant during the months of October and November, 1911, and shall pay the same from the amount set aside in contract for said work in Item 25c (loan), in the 1911 appropriation to the Department of Public Works, Bureau of Water. Also a warrant in the sum of one hundred and thirty-five thousand nine hundred and ninety-nine (135,999) dollars and ninety (90) cents, in favor of said Company for retained percentages on work done and materials furnished prior to the suspension on December 19, 1910, and shall pay the same from the amount set aside in contract for said work in Item 23, in the 1911 appropriation to said Department of Public Works, Bureau of Water.

#### APPENDIX No. 221.

*Philadelphia, November 21, 1911.*

To the Presidents and Members of the Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance recognizing and approving the claim of Edwin H. Vare for two hundred and forty-seven thousand one hundred and twenty-three (247,123) dollars and twenty-four (24) cents, for work done and materials furnished for the improvement of League Island Park, and directing the payment of said claim,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), John H. Hahn, G. W. Kucker, Peter E. Costello, Chas. Seger, Henry W. Lam-birth, Jno. P. Connelly, John F. Flaherty, Thos. J. Morton, C. E. Connell, E. Buchholz, Louis Hutt, Watson D. Upperman.

## AN ORDINANCE

Recognizing and approving the claim of Edwin H. Vane for two hundred and forty-seven thousand one hundred and twenty-three (247,123) dollars and twenty-four (24) cents for work done and materials furnished for the improvement of League Island Park, and directing the payment of said claim.

WHEREAS, The Director of the Department of Public Safety, during the month of April, 1909, advertised for bids for the necessary work (labor, materials, etc.), in the matter of the improvement of League Island Park, Twenty-sixth, Thirty-sixth and Thirty-ninth Wards; specifications and all information to be had at office of City Forester, Room 110, City Hall; and

WHEREAS, By the specifications and blank form of proposal submitted to prospective bidders, it was provided that said proposals were for

“All work required in grading, paving and macadamizing the cartways and sidewalks, setting and resetting straight and curved curbs and coping, constructing culverts, inlets and drains, planting of grass, trees and shrubs, and other contingent work required for the improvement of League Island Park in its entirety as projected,”

and in submitting each proposal it was further

“understood that it covers the improvements of League Island Park in its entirety as projected.”

AND WHEREAS, By ordinance of Councils approved May 18, 1909, the Department of Public Safety was authorized and directed to enter into a contract for

“furnishing all the labor and materials required in grading, paving and macadamizing cartways and sidewalks, setting and resetting of straight and curved curbs and coping, constructing culverts, inlets and drains, planting of grass, trees, shrubs, and other contingent work required for the improvement of League Island Park in its entirety as projected,”

the said contract to contain a clause that the said work should be paid for

“out of the five hundred thousand (500,000) dollars in Item 48 in the appropriation to the Department of Public Safety (Bureau of City Property), set aside to said Department by ordinance approved June 20, 1908, out of the ten million (10,000,000) dollar loan, and from such other funds as shall be hereafter appropriated by these Councils for said work;”

AND WHEREAS, When the bids were duly received, opened and scheduled it was found that Edwin H. Vare was the lowest responsible bidder, whereupon his bid was accepted;

AND WHEREAS, A contract was duly executed by the City of Philadelphia and said Edwin H. Vare on May 21, 1909, whereby the said Edwin H. Vare agreed to furnish and deliver all the materials and to do and perform all the work required to be furnished and delivered, done and performed in grading, paving and macadamizing the cartways and sidewalks, setting and resetting straight and curved curbs and coping, constructing culverts, inlets and drains, planting of grass, trees and shrubs, and other contingent work required for the improvement of League Island Park in its entirety as projected or required by the Director of the Department of Public Safety in strict and exact accordance with the proposal and specifications, the said work to be paid for at unit prices;

AND WHEREAS, The said contract contained a clause that the amount to be paid for said work under that contract should not exceed the sum of \$498,000, being the amount then appropriated for that purpose, but the said Edwin H. Vare agreed therein

“that when and as further appropriations shall be made for the continuation or completion of said work he will enter into a further contract or contracts therefor, at the prices provided in said proposal and specifications hereto attached, and in accordance therewith when and if requested so to do;”

AND WHEREAS, Further appropriation having been made on August 4, 1910, a supplemental contract was entered into between the City of Philadelphia and said Edwin H. Vare, increasing the amount of the original contract from \$498,000 to \$748,000;

AND WHEREAS, Further appropriation having been made on June 29, 1911, a supplemental contract was duly executed between the City of Philadelphia and the said Edwin H. Vare, further increasing the amount to be paid under said contract to \$988,000;

AND WHEREAS, The said Edwin H. Vare has done work and furnished materials in full compliance with the said specifications and contracts to the value of and amounting to the sum of nine hundred and ninety-five thousand one hundred and twenty-three (995,123) dollars and twenty-four (24) cents, as appears by certificate of the District Surveyor representing the City in charge of said work, and has received on account thereof the sum of seven hundred and forty-eight thousand (748,000) dollars only;

AND WHEREAS, A question has been raised as to the payment of said balance so due under and by virtue of said supplemental contract;

AND WHEREAS, It is just and equitable that the said Edwin H. Vare should be paid for his said work done and materials furnished, the City having received the full benefit and advantage therefrom;

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Safety is hereby authorized and directed to issue, the City Controller to countersign, and the City Treasurer to pay, a warrant or warrants in favor of said Edwin H. Vare for two hundred and forty-seven thousand one hundred and twenty-three (247,123) dollars and twenty-four (24) cents in payment of said balance due for work done and materials furnished for the improvement of League Island Park, said payment to be made from the amount set aside in contract for said work in Item No. 57c in the 1911 appropriation to the Department of Public Safety (Bureau of City Property).

## AN ORDINANCE

To permit Lit Bros. to construct an iron bridge over and across Filbert street, west of Seventh street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to Lit Bros. to construct an iron bridge,

covered with corrugated iron and glass, with concrete floor, over and across Filbert street, west of Seventh street, for the purpose of connecting their present store with 713 and 715 Filbert street. The said bridge not to exceed twelve feet in width and have a clearance of at least fifteen feet nine inches above the curb height, and shall be constructed under the supervision of the Department of Public Works, in accordance with plans to be approved by said Department. Before exercising any privilege under this ordinance, the said Lit Bros. shall first enter into an agreement, satisfactory to the City Solicitor, protecting the City from all damages by reason of the construction and maintenance of said bridge, and shall pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance. The privilege hereby granted shall be revocable at any time and the bridge removed upon the passage of an ordinance to that effect.
